**191091266175 Dog By Dog 2016** DOG BY DOG is a documentary that aims to wake up the American public to the horrible realities of puppy mills by following the money trail across the United States and confronting those that have maintained this corrupt and irresponsible system. While many documentaries have admirably exposed the public to the sickening underworld of puppy mills, what has been missing from the public discussion is a close examination of the umbrella of monetary support from massive corporations to politicians and supposedly "dog-friendly" organizations. By following the corporate money trail from state capitals to Washington DC, DOG BY DOG will shine light into the dark corners of politics which has maintained a status quo that has allowed the most irresponsible commercial dog breeders to thrive. Many people try to save these animals one by one, or dog by dog. This documentary aims to point out the problems of the current system in order to move toward a kinder and gentler one. Documentary Cast

**191091266120 Figures of Speech 2016** Figures Of Speech"" , narrated by Chris Pine, is a feature-length documentary that follows a group of high school students from all over the country as they vie for glory in the little-known world of competitive acting, otherwise known as ""Speech"" or ""Forensics."" Over one million students have participated in the

activity, which has been around for 90 years - even some celebrities you might recognize, like Oprah Winfrey, Matt Damon, Ben Affleck, Josh Gad, Zac Efron. But for such a massive sub-culture, surprisingly few people seem to know about it... unless they did it. In fact, our cameras were the FIRST ever allowed into the National Speech & Debate Association's official competition rounds. At times brutally honest and wickedly funny, the movie brings to life the rush of live Speech competition and incorporates the drama of a coming-of-age story. Each team must grapple with their own challenges: parental pressure, academic stress, sexual identity, failure, success and falling in love. We're with them as they learn to work together creatively, physically and emotionally. We want this film to raise awareness for Speech Teams around the country, as they - like so many arts programs in our schools today - must constantly struggle to stay alive." Chris Pine; Lily Kaiser; Steve Wagner; Brett Ponton; Bryan Ponton; Danielle Cottonham; Blake Flugence; John Ward; Michael Reynolds

Yvonne Jung; Karen Sillas; Traci Dinwiddie; Phyllis Somerville; Kevin Brown; Maya Guacci; Brianna Scudiero. Vincent P. Colon; Joseph A. Halsey; Gregory M. Brown; Helen Proimos; Kristen Digilio; Regina Hardy; Don Cato; Vinny Colon; John Marean; Melissa Wine

When the prank goes awry resulting in the death of the rapist, they set into motion a cataclysmic chain of events that results in the death of each of their significant others over the course of twenty-four hours proving that maybe murder is easier than meeting a good man. BLACK WIDOWS explores life in shades of grey. Sometimes the bad guys aren't who you think they are and sometimes we have to become the monster to avoid being the victim. **888574474560 S.O.B. [Blu-ray]** BD-50 1981 "Felix Farmer's (Richard Mulligan) latest movie flops - and lots of Hollywood types spring into action. Agents are called. Lawyers are retained. Statements are issued. It's what master comedy director Blake Edwards calls "Standard Operating Bull," the subject of his gleefully satiric S.O.B. Julie Andrews is a wholesome superstar about to alter her image...radically. Aiding and abetting the madness are William Holden, Robert Preston, Robert Vaughn, Shelley Winters, Loretta Swit and more. Dialogue crackles like fat in a fire, gags range from dead-on deadpan to comedic broadsides, insights bristle and sting. Nothing standard here: S.O.B. is extraordinary." The great entertainer sang and danced his last musical lead in Finian's Rainbow, director Francis Ford Coppola's exuberant movie of the 1947 Broadway hit. Astaire plays an Irish rogue who plants a stolen crock of leprechaun gold in the soil near Fort Knox to reap what he thinks will be a rich harvest. In tow are his spirited daughter (Petula Clark), a love-struck leprechaun (Tommy Steele) and a bigoted Southern senator (Keenan Wynn) transformed by misbegotten magic. The treasureable Burton Lane/E.Y. Harburg score includes "How Are Things in Glocca Morra?," "Look to the Rainbow," "If This Isn't Love" and "Old Devil Moon." Watching it, you'll be in clover. Four-leaf all the way." Fred Astaire; Petula Clark; Tommy Steele; Don Francks; Keenan Wynn; Barbara Hancock; Al Freeman Jr.; Ronald Colby; Dolph Sweet; Wright King; Louis Silas
