Warner Archive New May Releases

888574489106 Film Noir Classic Collection: Volume Five Out of the vaults and into the light: a fascinating 4-disc set showcasing 8 genre gems rich with the intensity and diversity of noir! Disc 1 wreaks revenge, with Dick Powell on the hunt in *Cornered* and Steve Brodie on the lam in *Desperate*. Caught-in-the-act immediacy highlights Disc 2's corruption exposé *The Phenix City Story* and the hostage drama *Dial 1119*. Disc 3 turns procedural, with noir ace Charles McGraw bulldogging the perps of an *Armored Car Robbery*, then turns to social-conscience filmmaking with *Crime in the Streets* (John Cassavetes and Sal Mineo star). An un-fatale femme is rare but invaluable in noir when strong dames help their men out of jams, as do Disc 4's Susan Hayward in *Deadline at Dawn* and Virginia Mayo in *Backfire*. Step into the shadows and suspense.

888574488178 Static Shock: The Complete Second Season *Static Shock's* second season comes supercharged with new, dangerous metahuman menaces, an array of special guest stars, and more of its unique mix of high adventure and social drama. The stakes are higher as *Static* gets drafted into "The Big Leagues" when the dynamic duo - Batman and Robin - travel to Dakota in search of The Joker (Mark Hamill). "Uncle J" to the

metahumans, The Joker is wreaking his own special brand of "hilarious" havoc on the citizens of Dakota, giving Static (Phil LaMarr) the opportunity of a lifetime - to team up with his favorite super hero! Other superstar surprises this season include Static stints from none other than hoop hall-of-famer Shaquille O'Neal (Steel, 1997) and the Backstreet Boys' A.J. McLean, on hand to lend some music-career advice to Rubberband Man. Things get a little more serious in the special episode entitled "Jimmy," which addresses the issue of gun violence in school.

888574489304 A Stranger is Watching "They don't see him, but he's there. A stranger is watching... plotting... planning... and anticipating every move they make. Then he strikes. He imprisons a little girl and a famous reporter in the dank maze of tunnels beneath New York's Grand Central Station. The kidnapper is a remorseless psychopath who wants to collect a ransom, then murder his captives. His victims' only hope is their own wits - and the aid of the dazed and desperate homeless people who roam this urban netherworld. Kate Mulgrew is heartrendingly believable as the reporter, and Rip Torn gives a harrowing performance as the kidnapper in this nightmarish shocker based on the Mary Higgins Clark suspense novel and directed by Sean S. Cunningham (Friday the 13th). A Stranger Is Watching: You won't be able to look away." Kate Mulgrew; Rip Torn; James Naughton; Shawn von Schreiber; Barbara Baxley; Stephen Joyce; James Russo

888574489090 Deep Cover From the director of A Rage in Harlem comes Deep Cover, an action police thriller in the explosive style of the classic The French Connection. Laurence Fishburne (Boys N The Hood, The Matrix) stars as an undercover cop who uses drug-dealing attorney Jeff Goldblum (The Big Chill, Jurassic Park) to bring down a major drug supplier. Fishburne and Goldblum deliver dynamic performances in this critically acclaimed box-office smash that "surpasses even the megaton blast of New Jack City." (Joe Leydon, The Houston Post). Laurence Fishburne; Jeff Goldblum; Victoria Dillard; Charles Martin Smith; Sydney Lassick; Clarence Williams III; Gregory Sierra

888574489113 Forced Vengeance "Lady Luck has fled Hong Kong's Lucky Dragon Casino. Its manager has squandered the profits. Its owner has been snuffed by the mob. And the heir to the casino is in hiding. But Lucky Dragon still holds one last ace: security expert Josh Randall. Local mobsters should cash in their chips when Chuck Norris plays Randall in Forced Vengeance, an alive-and-kicking action-fest directed by James Fargo (who directed Clint Eastwood in The Enforcer and Every Which Way but Loose). Determined to find the syndicate big shot behind the proprietor's death, Randall goes on the hunt. Trouble follows. And so does the lightning strike of screen excitement - the kind of martial-arts excitement that only Norris can chop, punch, leap, slam and deliver!" Chuck Norris; Mary Louise Weller; Camila Griggs; Michael Cavanaugh; David Opatoshu

888574489137 He Knows You're Alone "Now you see him. Now you don't. The face of a killer appears out of the darkness and just as quickly disappears. A young woman has an eerie feeling someone is stalking her. Another beauty steps into a shower... and a bathroom-door handle slowly turns. We're in slasher-flick territory - and also in a rare realm of film history, because screen icon Tom Hanks makes his movie debut in this knife-edged shocker. The up-and-coming legend plays the brief supporting role of Elliot, a psych major whose musings about the nature of fear reinforce the tone of this twisted tale about a sicko who targets brides-to-be... a detective scrambling to stop the carnage. Wedded bliss can be very short-lived when He Knows You're Alone!" Don Scardino; Caitlin O'Heaney; Elizabeth Kemp; Tom Roling; Lewis Arlt; Patsy Pease; James Rebhorn; Tom Hanks; Dana Barron; Joseph Leon; Paul Gleason

888574489298 St. Ives "Ex-crime reporter Raymond St. Ives has elegant taste, a yen for gambling and an unfinished novel in his typewriter. When he crosses paths with sinister Abner Procane, he gets something else: a price on his head. St. Ives is a hard-boiled update of classic mystery thrillers, particularly The Maltese Falcon. Charles Bronson is smoothly right as the clever title character, at odds with petty crooks and high rollers -

among them, Maximilian Schell as a whining lackey and Jacqueline Bisset as a modern femme fatale. But the show is stolen by John Houseman as the devilish Procane, a worthy successor to Sydney Greenstreet. Elisha Cook, Daniel J. Travanti, Jeff Goldblum and Robert Englund are also featured in this sleek, funny caper." Charles Bronson; Jacqueline Bisset; John Houseman; Maximilian Schell; Harry Guardino; Harris Yulin; Dana Elcar; Michael Lerner; Dick O'Neill; Elisha Cook; Val Bisoglio; Burr DeBenning; Daniel J. Travanti

888574489335 Thunderbolt ""In a world of plastic action heroes, Hong Kong superstar Jackie Chan is still the genuine article" (Whang Yee-Ling, The Hollywood Reporter). This high-octane thriller set on the fast and furious streets of Hong Kong is filled with "ingenious fight sequences, a snappily choreographed kickfest [and] a breathtakingly dangerous sequence that ranks as a classic even by Chan's standards" (Derek Elley, Variety)! Illegal drag racing is tearing up the streets of Hong Kong and only the fine-tuned skills of former racing champion Chan can shut it down. But when he puts a stop to a high-speed hot-rodder - who's also a powerful syndicate boss - Chan's most perilous race has just begun." Jackie Chan; Anita Yuen; Michael Wong; Thorsten Nickel

888574499570 Vision Quest [Blu-ray] High school wrestler Loudon Swain is a man obsessed, trying to shed 23 pounds in a dangerously short time and take on Shute, the undefeated, tough-as-nails 168-pound champion who's the best wrestler in the state. Matthew Modine stars as the mop-headed student undeterred in his Vision Quest...until the day a sexy drifter (Linda Fiorentino) threatens to pin Loudon and his dreams to the mat of unrequited love. The hit soundtrack features Journey's "Only the Young," Foreigner's "Hot Blooded" and John Waite's "Change." In her first film, Madonna shines while performing "Gambler" and "Crazy for You." You'll go crazy for Vision Quest.

888574489007 Accidental Tourist, The [Blu-ray] "Where to find your favorite fast-food hamburger in Paris? How many laundry-soap packets does a trip to Atlanta require? Ask Macon Leary, whose guidebooks are revered by home-loving business travelers who loathe being in transit. About matters of the heart, don't ask Macon. He doesn't have a clue. At least, not yet. This funny, tender film of Anne Tyler's best seller reteams director Lawrence Kasdan with his Body Heat stars William Hurt and Kathleen Turner as misfiring Macon and wife Sarah, and showcases Geena Davis in her Best Supporting Actress Academy Award®-winning* role of romantically inclined dog-trainer Muriel. Chosen as the year's best movie by the New York Film Critics Circle and a nominee for three other Oscars®, including Best Picture, The Accidental Tourist will leave you glowing." William Hurt; Kathleen Turner; Geena Davis; Amy Wright; David Ogden Stiers; Ed Begley, Jr.; Bill Pullman; Robert Gorman; Bradley Mott

888574488512 Baby Doll Times are tough for cotton miller Archie (Karl Malden), but at least he has his child bride (Carroll Baker), who'll soon be his wife in title and truth. The one-year agreement keeping them under the same roof - yet never in the same bed - is about to end. But a game with a sly business rival (Eli Wallach) is about to begin. In Baby Doll, as in A Streetcar Named Desire, director Elia Kazan and writer Tennessee Williams broke new ground in depicting sexual situations - earning condemnation by the then-powerful Legion of Decency. They earned laurels too: four Academy Award® nominations, Golden Globe® Awards for Baker and Kazan, and a British Academy Award for Wallach. Watch this funny, steamy classic that, as Leonard Maltin's Movie Guide proclaims, "still sizzles." Karl Malden; Carroll Baker; Eli Wallach

888574488536 Humoresque "Glamorous socialite Helen Wright (Joan Crawford) takes what she wants - clothes, alcohol, men - uses them up and tosses them aside. Then she meets brilliant young violinist Paul Boray (John Garfield). But this is one toy she can't break. Instead, her love for Paul brings Helen to the breaking point. In this acclaimed and profound exploration of desire, Crawford makes Helen a rich, layered character torn between selfless love and selfish impulses. Garfield matches her as the driven genius.

Humoresque's production values extend to the musical interludes, dubbed by Isaac Stern. Garfield's dazzling technique is thanks to two real violinists hidden behind him - one to do the fingering and one the bow work. Bravo!" Joan Crawford; John Garfield; Oscar Levant; J. Carrol Naish; Joan Chandler; Tom D'Andrea; Peggy Knudsen; Ruth Nelson; Craig Stevens; Paul Cavanagh; Richard Gaines; John Abbott; Robert Blake; Tommy Cook; Don McGuire; Fritz Leiber; Peg La Centra; Nestor Paiva

888574489182 Loved One, The [Blu-ray] The funeral business gets a giant raspberry in this wickedly wacky, resplendently ridiculous farce based on Evelyn Waugh's macabre comic masterpiece and directed with inspired verve by Tony Richardson (Tom Jones). But the American way of death isn't the film's only target: sex, greed, religion and mother love are also in the crosshairs of its satirical shots. Robert Morse plays a bemused would-be poet who gets entangled with an unctuous cemetery entrepreneur (Jonathan Winters), a mom-obsessed mortician (Rod Steiger) and other bizarre characters played by such adept farceurs as John Gielgud, Robert Morley, Tab Hunter, Milton Berle, James Coburn and Liberace. If The Loved One doesn't make you laugh, call the undertaker!

888574489328 Sweet Bird of Youth Handsome Chance Wayne never found the Hollywood stardom he craved, but he's always been a star with the ladies. Now, back in his sleepy, sweaty Gulf Coast hometown, he's involved with two of them: a washed-up, drug-and-vodka-addled movie queen and the girl he left behind...and in trouble. Paul Newman, Best Actress Oscar® nominee Geraldine Page, Rip Torn and Madeleine Sherwood re-create their stage roles, and Ed Begley gives an Oscar®-winning* portrayal as the town's corrupt political boss in a bravura film version of Tennessee Williams' Broadway hit. Sex. Money. Hypocrisy. Financial and emotional blackmail. Familiar elements of Williams' literary realm combine powerfully as Chance battles his private demons in a desperate bid to redeem his wasted life and recapture his lost sweet bird of youth. Paul Newman; Geraldine Page; Shirley Knight; Ed Begley; Rip Torn; Mildred Dunnock

888574462185 The Wayans Bros: The Complete Second Season The Wayans Bros.' sophomore season sees Shawn (Shawn Wayans) laid off from his job and Pops (John Witherspoon) setting him up with his own newsstand next to Pops' Diner in the lobby of the Neidermeyer. While Shawn takes on his new career with maturity and determination, a jealous Marlon struggles to make ends meet bussing tables at Pops' and working part-time for Shawn. Sparks soon fly when the brothers meet Monique Lattimore (Paula Jai Parker), a former "little rich girl" now recruited into the ranks of the working class. While Marlon's lust for her goes unnoticed, Shawn and Monique begin a flirtatious and antagonistic relationship. He thinks she's a snob, and she thinks he's beneath her, but they can't stop thinking about each other. Keeping things secure in the Neidermeyer is 5111 female security guard Lou Malino (Jill Tasker). Lou rules her domain with an iron fist and a very sharp tongue...something Marlon soon learns in this 3-disc, 22-episode collection. Shawn Wayans; Marlon Wayans; John Witherspoon; Paula Jai Parker; Jill Tasker

888574488574 Normal Life Natural Born Killers meets True Romance in this sexy, psychological thriller from acclaimed director John McNaughton. Upon discovering his secret, she joins his deadly crime wave, and together they terrorize an unsuspecting suburban town. Ashley Judd; Luke Perry

888574488598 Protocol Will the corridors of power in our nation's capital ever be the same? Not after Sunny Davis (Goldie Hawn) arrives. The ditzy D.C. cocktail waitress goes from serving drinks to serving her country after saving an Arabian dignitary from an assassination attempt. What Sunny thinks, she says. And what she says and does is hugely funny, thanks to work by writer Buck Henry (The Graduate), director Herbert Ross (The

Goodbye Girl) and Academy Award® winner* Hawn, charmingly back in her country's service after cheery stints in Private Benjamin and Swing Shift and putting her politics where her heart is - as well as her Protocol. Goldie Hawn; Chris Sarandon; Richard Romanus; Cliff De Young; Kenneth Mars; Kenneth McMillan; Andre Gregory; James Staley; Ed Begley, Jr.; Keith Szarabajka

888574488604 Seven Days in May [Blu-ray] "It happens with startling swiftness and violence. An armed cadre seizes state control. Fortunately, a coup d'état can't happen here. Or can it? A classic of suspense directed by John Frankenheimer (The Manchurian Candidate, Ronin) and written for the screen by Rod Serling (The Twilight Zone), Seven Days in May tautly explores that possibility. At odds are a popular general and Joint Chiefs of Staff Chairman (Burt Lancaster) and an unpopular president (Fredric March) with a pacifist agenda. At stake is the survival of the Republic. A vigilant colonel (Kirk Douglas) uncovers the scheme. But are the seven fateful days ahead enough time to derail a takeover? The clock is ticking." Burt Lancaster; Kirk Douglas; Fredric March; Ava Gardner; Edmond O'Brien; Martin Balsam; George Macready; Whit Bissell; Hugh Marlowe

When the townsfolk eagerly get in on the act, get ready for scandal, greed and romance... Take one! Alec Baldwin; Charles Durning; Clark Gregg; Philip Seymour Hoffman; Patti LuPone; William H. Macy; Sarah Jessica Parker; David Paymer; Rebecca Pidgeon; Julia Stiles

888574488628 Three of Hearts "William Baldwin (Sliver, Backdraft) is a street-smart male escort caught between Kelly Lynch (Charlie's Angels, Drugstore Cowboy) and Sherilyn Fenn (TV's Twin Peaks and Dawson's Creek) in enchantingly offbeat look at love in the '90s. Costarring Joe Pantoliano (The Matrix and TV's The Sopranos), it's a critically applauded romantic comedy hit. When her lover Ellen (Fenn) announces she's leaving, Connie (Lynch) goes into an emotional tailspin. Desperate to win Ellen back, she hires a suave professional gigolo named Joe (Baldwin) to woo Ellen, break her heart, and , if all goes according to plan, send her running back to Connie's sympathetic arms. But when Joe's false affection for Ellen begins to look like the real thing, Connie's carefully arranged romantic triangle comes apart at the seams! Sparkling with brilliant performances from its trio of stars, Three of Hearts is an outrageously sexy and charming romantic comedy." William Baldwin; Kelly Lynch; Sherilyn Fenn; Joe Pantoliano; Gail Strickland; Cec Verrell; Claire Malis; Marek Johnson; Monique Mannen; Tony Amendola
