Her father considers terrorism a contemporary career and is more interested in art than people; given this backdrop, going to school makes less sense than living life between parties, drugs, affairs and kitchen-table polemics. So, Mifti has to grow up on her own, one way or another. Helene Hegemann, author of the sensational success "Axolotl Roadkill," wrote the script for AXOLOTL OVERKILL. This DVD features the official ""Axolotl Overkill"" trailer, surround sound and comes in German with English subtitles." Jasna Fritzi Bauer;Arly Jover;Nikolai Kinski
