For there are only a handful of things I know to be fact at this moment -- that this place is called San Sebastian, Texas; that it is autumn of the year 1865; that my age can be estimated at likely 35 to 40 years; and that for all intents and purposes I was born on All Hallows Eve. That was five days ago... Robert Urich stars as The Lazarus Man in this unique Western mystery thriller about a mans quest for vengeance and his own identity. The stranger who would come to be called Lazarus digs his way out of the grave Halloween night during the close of the Civil War. Nursed back to health, his memory remains shattered, with fragments and visions of a past filled with menace like the Derby Hat Man, and promise, like the Dark-Haired Woman who pledges her devotion. Burnett (Little Caesar). Ripped from the headlines, this pre-Code crime corker delivers the goods in its tale of a small-town boy turned big-city cynical correspondent. Naive young Southern boy Breckenridge Lee (Richard Barthelmess) comes to Chicago to seek his fame and fortune as a newspaperman, and his first story gets his name on a headline, leads the police on a raid and lands him in the hospital. When affable criminal fixer Louis Blanco (Clark Gable) clues the kid in on how to land the gravy over gravel, Lee signs on to be syndicate stooge. While fellow reporters Marcia (Fay Wray) and Breezy (Regis Toomey) worry that the kid is in over his head, Lee makes a play at a powwow with the underworlds Number One -- a sit-down that proves fatal for one member of the fourth estate. Richard Barthelmess; Fay Wray; Regis Toomey; Robert Elliott; Clark Gable; Oscar Apfel; Robert Gleckler

02/06/2018 888574621629 Chances DVD-5 1931 A chance meeting on a foggy London street presages the sundering of an inseparable bond during World War One in this pre-Code wartime romance. Jack Ingleside (Douglas Fairbanks, Jr.) is on his way to meet his literal brother-in-arms Tom Ingleside (Anthony Bushell) in a pub when he bumps into an attractive young woman (Rose Hobart). Not realizing the young lass is his childhood nemesis Molly Prescott, Jack finds his charms rebuffed with the promise that he will see her soon. Soon comes in the form of his and Toms final weekend leave (theyve finagled being posted to the same cavalry unit) at his mothers country estate. While sparks fly betwixt Jack and Molly, Jack discovers that Tom is also in love with Molly. Playboy Jack elects to step aside for the better man but the heart will out. While the triangle divides the brothers, director Allan Dwan serves up some truly striking multilevel war tableaux, full of trench and tragedy. Douglas Fairbanks, Jr.; Rose Hobart; Anthony Bushell; Holmes Herbert; Mary Forbes; Edmund Breon; Harry Allen
