TBD 888574678234 Rampage [3D Blu-ray + Blu-ray + Digital Combo Pack] 2018
Primatologist Davis (Dwayne Johnson) shares an unshakable bond with George, the extraordinarily intelligent, silverback gorilla who has been in his care since birth. When a greed-fueled corporation's genetic experiment goes awry, George and other animals across the country are mutated into aggressive super creatures that rampage the city. In an adrenaline-filled ride, Davis tries to find an antidote to not only halt a global catastrophe, but to also save the fearsome creature that was once his friend.

05/22/2018 888574646066 Bad Day at Black Rock Folks in Black Rock have their own way of welcoming mysterious, one-armed stranger John J. Macreedy. Hes welcome to leave. Or theyll make sure he leaves in a pine box. Two-time Academy Award winner* Spencer Tracy (a 1955 Best Actor Oscar nominee for this film) plays World War II veteran Macreedy, who keeps his own counsel about why hes come to Black Rock and who keeps his wits about him when confronted with threats and violence. Director John Sturges (The Great Escape) ramps up the tension while revealing Macreedys mission and the towns grim secret. Robert Ryan, Walter Brennan, Ernest Borgnine and Lee Marvin are among the towns thugs and lap dogs. Im half horse, half alligator, one says. Theyll find Macreedy is even tougher stuff.

05/22/2018 888574647063 Dr. Jekyll and Mr. Hyde 1941 Laurence Olivier once observed that he learned more about acting from watching [Spencer] Tracy than in any other way. Undertaking the dual title role in Robert Louis Stevensons Victorian science-fiction thriller, Tracy fulfilled that compliment by abandoning his characteristic down-to-earth image for the most terrifying portrayal of his career. Also cast against type are Sweater Sweetheart Lana Turner as Jekylls fiancée and Ingrid Bergman, who plays Hydys victimized Cockney mistress. Tracy and director Victor Fleming (Gone with the Wind) decided to break with convention by interpreting Hyde from a Freudian perspective instead of portraying him as the usual physically grotesque monster, and he emerges as a menacing distortion of the sexually frustrated Jekyll. To Tracy fans, this amazing piece of virtuosity will come as an unforgettable revelation.

05/22/2018 888574662165 Ivanhoe 1952 Stand and pledge loyalty -- or prepare to lie cold beneath your shields. Chivalrous knight Wilfrid of Ivanhoe is determined to restore Richard the Lionhearted to Englands throne. Gallantry and costumed pageantry combine in this crowd-pleasing nominee for 3 Academy Awards, including Best Picture. Robert Taylor plays the title role, and Elizabeth Taylor and Joan Fontaine also star in a rousing adaptation of Sir Walter Scotts novel. The films jousting tournament is a galloping display of steeds and stouthearted men. Most spectacular of all is the siege of Torquilstone Castle, a wave-after-wave combat of arrows, fire, boulders, battering rams and blades. To the battlements!

05/22/2018 888574682446 Famous in Love: The Complete First Season Paige Townsen (Bella Thorne) is a normal college girl working on her business degree who enjoys acting on the side. When a big movie franchise goes into production and opens its doors looking for the next It girl to play the lead role, Paiges roommates Cassie (Georgie Flores) and Jake (Charlie DePew) convince her to go to the open casting call. Never in her wildest dreams does she think she will even make it to the callbacks, but after an electric audition with Hollywood heartthrob Rainer Devon (Carter Jenkins), her chance of a

lifetime happens. She gets the part, and her life is about to change forever. Meanwhile, intrigue flows through Hollywood as every actor wants a part, in the new *Locked* film. She must now navigate her new star-studded life and undeniable chemistry with her two co-leads while uncovering the truth about what happened to a missing pop star. Based on the novel by Rebecca Serle.

05/15/2018 888574657420 Absolute Quiet 1936 When a millionaires machinations catch up with him in the form of a heart attack, his doctors order him to convalesce in absolute silence. Fate has other plans for G.A. Axton (Lionel Atwill), however, when a pair of escaped, condemned criminals (Bernadene Hays and Wallace Ford) crash Axtons recovery and cause a plane to crash on his ranch. On board the downed plane are citizens whom Axton has crossed -- ex-mistress Zelda (Ann Loring); her lover, Gregory (Louis Hayward); political opponent Governor Pruden (Raymond Walburn); and scandal-mongering newsman Chubby Rudd (Stuart Erwin). Taken hostage by the criminal pair, the survivors face their greatest threat: the clash between Axtons cruel manipulations and the craven cowardice of the governor. Atwills wry villain makes for a most unusual hero, while Wallace Ford and Bernadene Hays vaudevillians-turned-Bonnie-and-Clyde tug at the heart.

05/15/2018 888574657673 Broadway Hostess 1935 Small-town lass Winnie Wharton (real-life Ziegfeld Follies star Wini Shaw) is gifted with a golden voice and gumption to boot. Thanks to the assistance of her streetwise manager, Lucky Lorimer (Lyle Talbot), she rises to the top on Broadway as a torch singer. Its an ascent built from broken dreams, however, as Winis piano player, Tommy (Phil Regan), has fallen for her, but she only has eyes for Lucky. Lucky, in turn, has his heart set on high-society dame Iris Marvin (Genevieve Tobin). While Luckys sidekick, Fishcake Carter (Allen Jenkins), succeeds in wooing the wealthy widow Mrs. Duncan-Griswald-Wembly-Smythe (Spring Byington), Luckys proposal to Iris is rebuffed. Determined to prove his worth to Iris, Lucky opens a gambling house, and Iris brother, Ronnie (Donald Ross), a poisonous snob, soon ends up in hock to Lucky. Its a debt that soon proves costly to both torch singer and manager

05/15/2018 888574657697 Kansas City Princess 1934 Joan Blondell and Glenda Farrell team up to play a pair of gold diggers with hearts of gold in this tale of manicurists on the run from the mob. When Rosie Sturges (Blondell, Blonde Crazy) loses her diamond engagement ring from mobster Dynamite Carson (Robert Armstrong, King Kong) to a slick operator with whom she goes on an illicit date, she does the sensible thing and takes it on the lam. Accompanied by gal pal Marie Callahan (Glenda Farrell, Torchy Blane), Rosie goes undercover as a Girl Scout and heads to New York. When their cover gets blown, they attach themselves to cuckolded millionaire Junior Ashcroft (Hugh Herbert, Sh! The Octopus) and talk their way onto a transatlantic voyage. Things are looking pretty rosy for Rosie and Marie until they meet Juniors new bodyguard -- Dynamite Carson! Joan and Glenda are in fine comic form in this rollicking fable that climaxes with a table-turning triumph in the boudoirs of Paris.

05/15/2018 888574644031 Great Meadow, The 1931 When Daniel Boone comes calling, young Berk Jarvis (John Mack Brown) hears the message loud and clear: Its time to go west, young Americans. Quickly convincing his mother, Elvira (Lucille La Verne), and brother, Jack, to leave colonial Virginia behind for the wilderness of Kentuckys Great Meadow, Berk asks his favorite girl, Diony Hall (Eleanor Boardman), to join him on their wagon train as his wife. The western trek takes a toll on the settlers, but Berk and his bride arrive at Fort Harrod with a baby soon on the way. Tragedy strikes when Elvira and Diony are attacked outside the fort by the psychotic Black Fox, and Elvira is killed. Berk is driven to distraction by the taunts of Black Fox and his horrific trophy, and he abandons his wife and child for the path of vengeance. By the time Berk makes it back, he discovers that the wilderness waits for no man.

05/15/2018 888574657444 All American Chump 1936 Cranes Colossal Carnival

receives a radical downsizing after rubes rise up and the carnivals assets are repossessed, leaving ace pitcher Honest Bill Hogan (Robert Armstrong), owner Jeffrey Crane (Edmund Gwenn) and Cranes daughter Betty (Betty Furness) in desperate need of funds. Venturing to the local bank, Bill encounters aptly named Elmer Lamb (Stuart Erwin), a country bumpkin possessed of an extraordinary brain. Capable of amazing feats of calculation, Elmer works as a human adding machine, trying to earn enough money to buy the dairy farm of his dreams. Bill quickly dubs Elmer Chain Lightning and drafts him into showman service. Alas, Bills best-laid plans prove a bust, but things turn around thanks to a bridge game aboard a train, where Elmer bests famed bridge champion J. Montgomery Brantley (E.E. Clive) alongside low-grade gangster Pudgy Murphy (Edward Brophy). But Pudgy has his own plans, and it might be time for Chain Lightning to fizzle out.

05/08/2018 888574655785 Across the Pacific 1942 Alberta Marlow isnt looking for wealth. I can do without it, she says. You stick around with me and youre going to get plenty of practice, Rick Leland replies. She also gets danger and intrigue, because Humphrey Bogart plays U.S. counterspy Rick in this crisply written wartime thriller. The part is a combination of acid and comedy, a bit like his role in *The Maltese Falcon*, longtime studio insider Robert Lord said when he recommended Bogey for the role of Rick. Rick trades romantic barbs with Alberta (Mary Astor), matches wits with sly Lorenz (Sydney Greenstreet) and swaps bullets with saboteurs of the Panama Canal. *The Maltese Falcon* John Huston directs this reunion of three of that movies stars. And once again, the parlay of stars and director comes up a winner.

05/08/2018 888574655792 Action in the North Atlantic 1943 Service in the Merchant Marine means saying goodbye -- keep the home fires burning. It is loose lips sink ships, a convoy tiptoeing through a dead-thick fog. It is the ear splitting clatter of ack-acks and cries of aircraft sighted, all hands. It is fear, bravery and just doing a job. It is the lifeblood of democracys arsenal. This World War II salute to Allied forces that supply the war effort sweeps you into the action-filled voyage of a besieged freighter. Humphrey Bogart, a World War I seaman and an avid recreational sailor, stars as First Officer Joe Rossi, who, along with his captain (Raymond Massey), matches tactics with U-boats and the Luftwaffe. The tactics are on target -- so much that this became a Merchant Marine training film.

05/08/2018 888574647100 Key Largo 1948 A hurricane swells outside, but its nothing compared to the storm within the hotel at Key Largo. There, sadistic mobster Johnny Rocco (Edward G. Robinson) holes up -- and holds at gunpoint hotel owner Nora Temple (Lauren Bacall), her invalid father-in-law (Lionel Barrymore) and ex-GI Frank McCloud (Humphrey Bogart). McClouds the one man capable of standing up against the belligerent Rocco. But the postwar worlds realities may have taken all the fight out of him. John Huston co-wrote and compellingly directs this film of Maxwell Andersons 1939 play with a searing Academy Award -winning* performance by Claire Trevor as Roccas gold-hearted, boozy moll. In Hustons hands, it becomes a powerful, sweltering classic.

05/08/2018 888574658205 Passage to Marseille 1944 Humphrey Bogart reunites with director Michael Curtiz and other key Casablanca personnel (including costars Claude Rains, Peter Lorre and Sydney Greenstreet) for a tension-swept *Passage to Marseille*. Bogart plays Jean Matrac, a World War II French patriot who escapes Devils Island, survives a dangerous freighter voyage and becomes a gunner in the Free French Air Corps. *Passage* sailed into theaters on stormy seas. Controversy surrounded the scene in which Matrac machine-guns the helpless survivors of a downed plane that attacked the freighter. That a soldier of freedom would act ignobly brought protests from religious and censorship groups. But, like Matrac facing a strafing dive-bomber, the studio held its ground. War could even dehumanize a hero. Domestic prints remained uncut.

05/08/2018 888574644116 Gun Crazy [Blu-ray] When gun fancier Bart Tare sees Annie Laurie Stars sideshow sharpshooting act, a dead-bang goner. He and she go together, as Bart ultimately says, like guns and ammunition. The two become bank

robbers on the run, eluding roadblocks and roaring into movie history as one of the benchmark film-noir works. Joseph H. Lewis directs this ferocious thriller, selected for the National Film Registry and often cited as a forerunner to Bonnie and Clyde. Peggy Cummins and John Dall star, meeting in a sexually charged carny shooting contest and soon driven by impulses of violence and arousal they don't fully understand. They're young, foolish, doomed and point blank in *Gun Crazy* unforgiving sights.

05/08/2018 888574657567 Man Called Shenandoah, A 1965 Robert Horton stars as a gunfighter in search of his identity across the wilds of the Old West in this seldom-seen sixties Western classic. A stranger is shot and left to die from exposure to the elements. Half dead, he is brought to a small town by a pair of cowboys who hope there may be a reward for his capture. A worldly woman, Kate (Beverly Garland), nurses the man back to health. When he recovers consciousness, the man has no idea who he is or where he came from. Newly christened Shenandoah by Kate, he is forced into a gunfight, killing the one man who might have told him who he is. Forced to bid goodbye to Kate, he sets out on the long, lonely trail to discover his own identity. Notable guests Shenandoah encounters while searching for clues to his past include DeForest Kelley, Edward Asner, Bruce Dern, Cloris Leachman, Warren Oates, George Kennedy, Leonard Nimoy, Martin Landau and Frank Gorshin.

05/01/2018 888574657505 Espionage Agent 1939 Warner Bros. continued its one-studio war against Hitler and his minions by following the sensational *Confessions of a Nazi Spy* with this crackling dramatic thriller starring Joel McCrea and new discovery Brenda Marshall. McCrea plays U.S. State Department diplomat Barry Corvall, who becomes a one-man counterspy agency in the dawning days of World War II. After Barry discovers that his new bride, refugee Brenda Ballard (Marshall), has been coerced into acting as an agent for Nazi Germany, he is expelled from the Foreign Service. Recruited by an Assistant Secretary of State, Barry goes undercover as a disgraced ex-diplomat, besotted by his Mata Hari wife. Journeying to Geneva, Barry and Brenda put themselves in harm's way in a desperate bid to uncover the secrets of the Nazi spy ring operating inside the United States. While Brenda continues to pose as a spy, Barry finds the proof he needs. This action-romance pulls no punches.

When a racer totals his flivver in front of the pair, they save the car from the scrapyards and hit the amateur circuit. While satisfying his appetite for speed, Jerry becomes smitten with Jane Delano (Cecilia Parker), daughter of racing magnate Pinky Delano (Harry Carey). Pinky is impressed with Jerry's skills, much to the chagrin of Jane, and invites him to join the team. It's a race against the clock and fate as Jerry tries to stay alive behind the wheel while Buddy tries to crack the case of the deadly car.

Now reunited, the lost squadron astounds with its daredevil exploits, only to face a menace more dangerous than the Red Baron: tyrannical director Von Furst (legendary real-life director Erich von Stroheim). When one of their number is killed because of Von Furst, the boys declare war on Hollywood. This rollicking epic's all-star cast includes Richard Dix, Joel McCrea, and Mary Astor, and features amazing scenes of early stunt flying.

His dream comes true in nightmare fashion when local resident/world-famous banker George Ferguson (Purnell Pratt) is found murdered, his wife, Marcia (Vivienne Osborne), bound and gagged next to his body. Swiftly selling the story to both respected metropolitan newspapers and tawdry downtown tabloids, Bruce triggers a tidal wave of fast-talking, faster-typing correspondents that crashes upon the sleepy town of Cornwall. While Bruce's gal pal Toni (Adrienne Dore) is quickly and shockingly seduced by scandal jockey Bob Parks (Kenneth Thomson), Bruce receives sage and responsible advice from seasoned newsman Martin Collins (Grant Mitchell). At the center of this conflict between truth seekers and news makers is Maizie Dickson (Joan Blondell), a hard-bitten news hen who still has a heart.

04/10/18 810162032203 Female Misbehavior DVD-5 1992 Female Misbehavior is a collection of five films that explore the outer limits of female sexuality and behavior. Each film features a woman who has challenged the status quo, provoking shock and outrage in some and gaining respect and admiration from others. "Annie" is an inside look (in more ways than one) at Annie Sprinkle, porn-star, performance artist and sexual diva. "Dr. Paglia" is a confrontation with Camille Paglia, the infamous author. "Bondage" centers on an S&M practitioner and her use of pain as pleasure. "Max" is the story of a transsexual's journey from female to male. And the feature length "Didn't Do It For Love" explores the fascinating life of Eva Norvind, the blond Norwegian bombshell who was Mexico's Marilyn Monroe in the 1960's and New York's leading dominatrix in the 1980's. Annie Sprinkle; Dr. Camille Paglia; Eva Norvind; Carol; Max W. Valerio

04/10/18 810162032197 Bible Unearthed, The DVD-9 2005 The Bible is both a

religious and historical work, but how much is myth and how much is history? This masterful investigation into the origins of the Bible visits archaeological digs in Egypt, Jordan and Israel - including Megiddo, the cradle of biblical archaeology. Rare archival footage, ancient maps, biblical illustrations and computer simulations are put into context by world-famous archaeologists and biblical scholars, including experts from the Louvre, the museums of Cairo and Jerusalem, and the British Museum. "The Bible Unearthed" does something which has never been done before: it reveals a still-unraveling revolution of what we know of the society, the history, and the men who wrote the Bible. Israel Finkelstein; Neil Asher Silberman

4/17/2018 818522017938 Pearl Harbor: The Real Story DVD-5 2001 A phenomenal documentary with rare footage. Photos and video clips of the attack from both US and Japanese sources, survivors eyewitness accounts and descriptive narrative spots interlace together to make this one solid production. The makers of this film should be proud of themselves. The stories that the men and women who were there recount for us are quite compelling. And equally interesting is the last half hour or so devoted to all the military installations as they looked in 2001, when this documentary was made. They take the viewer underwater at the USS Arizona and Utah memorials as well as to buildings and airstrips that still show damage and spot repairs. Scott Freund; Tim Casabanyi
