12/04/2018 024543586418 Bullfighters, The DVD-5 1945 Two private detectives, Stan and Ollie (Stan Laurel and Oliver Hardy), from Illinois fly to Mexico City in search of a mysterious woman. At the same time, thousands of bullfighting enthusiasts are awaiting the arrival of Don Sebastian, a famous matador from Spain, whos been delayed due to passport issues. When Hotshot Coleman, a press agent, realizes that Stan could be Sebastians twin, he tries to convince Stan to assume the matadors identity. But when Stan refuses, Coleman threatens to tell Richard K. Muldoon the detectives whereabouts. Apparently, Stan and Ollie were responsible for Muldoons wrongful imprisonment, and Muldoon swore revenge. Under the circumstances, Stan and Ollie have no choice but to go along with the plan, leading to hilarious moments, especially when the real Don

12/04/2018 024543586425 Dancing Masters, The DVD-5 1943 Owners of the struggling Arthur Hurry dance studio, Stan and Ollie have only one paying customer, socialite Trudy Harlan. Trudys boyfriend is Grant Lawrence (Robert Bailey), an aspiring inventor who has created a new kind of flame thrower, but he lacks the money to market it. In a misguided attempt to help Grant, Ollie remembers an insurance policy he had taken out on Stan, so he arranges an accident involving Stan so they can get a big settlement. The plan results in a crazy bus ride, and ends up with Ollie breaking his own leg. THE DANCING MASTERS is a hilarious must-see, with an appearance by a very young Robert Mitchum in an uncredited role as an insurance racketeer. Stan Laurel; Oliver Hardy; Trudy Marshall

12/04/2018 024543586432 Dolly Sisters, The DVD-9 1945 Betty Grable and June Haver pour on the singing, dancing and showbiz razzmatazz in this jaunty tale of sisters who become vaudeville sensations in Europe and America. Grable, then in the fourth year of her decade-long reign as a top 10 box office star, grabs the spotlight as Jenny, a gifted performer torn by career demands and by her on-again, off-again romance with a Tin Pan Alley tunesmith (John Payne). Laced throughout are songs (including the 1946 Oscar - Nominated song I Cant Begin to Tell You) and splashy production numbers that let the GIs favorite pinup girl show off her talents and the gams that Fox, in a noted publicity stunt, had insured for a million dollars. OSCAR is the registered trademark and service mark of the Academy of Motion Picture Arts and Sciences. Betty Grable; John Payne; June Haver

11/27/2018 024543586319 Mother, Jugs & Speed DVD-9 1976 This dark comedy revolves around the lives of ambulance drivers who work for a small, low-budget Los Angeles company. Bill Cosby plays Mother, the protective and experienced one who takes care of the motley bunch. Raquel Welsh is Jugs, the snooty company secretary who wont give the drivers the time of day. Speed (Harvey Keitel) is the new guy, an ex-cop and Vietnam veteran in trouble with the law for drug dealing. Director Peter Yates (Bullit) and screenwriter Tom Mankiewicz successfully depict the frenetic pace of life for freelance ambulance drivers, with a tone similar to that of M*A*S*H. The film is largely an exploration of the day-to-day experiences of the company crew, and their frequent encounters with unusual characters as they compete with a rival ambulance company to transport injured persons. The subject matter also allows for plenty of action, with car chases scattered throughout the film. Bill Cosby; Raquel Welch; Harvey Keitel

11/27/2018 024543586333 Murder Over New York DVD-5 1940 In Murder Over New York, Charlie Chan (Sidney Toler) attends a police convention and winds up tangling with saboteurs who are knocking Allied planes out of the air. 11/27/2018 024543586340 Myra Breckinridge DVD-9 1970 Gore Vidals novel gets a campy translation in this controversial film. After his surgery in Europe, Myron Breckinridge (Rex Reed) returns to the United States as Myra (Raquel Welch), insisting that she is the widow of Myron. Before too long, she enrolls in an acting school and comes under the tutelage of Buck Loner (John Huston), and meets talent scout Leticia (Mae West). Though Vidal disassociated himself from the film, it garnered attention for its star-studded cast (Tom Selleck makes his first-ever onscreen appearance, and Farrah Fawcett plays a lesbian that falls for Myra) and unabashed embrace of its subject matter, which was considered very risque at the time. Mae West; John Huston; Raquel Welch

11/27/2018 024543586357 On The Avenue DVD-9 1937 In this song-packed Irving Berlin musical, actress Mona Merrick (Alice Faye) infuriates an heiress (Madeleine Carroll) by savagely portraying her in a hit play. When the shows producer (Dick Powell) begins a

love affair with the heiress, jealous Mona makes her satirical performance even more scathing, setting off fireworks between the new couple. Dick Powell; Madeleine Carroll; Alice Faye

He soon finds himself among the kind, gentle Shell People and falls in love with one of their loving tribeswomen (Raquel Welch). The twosome decide to face the world together, cut off from all tribal support, alone in a deadly world of hideous beasts and earth-shattering volcanic eruptions. The films pioneering special effects have made it a true science-fiction classic. Raquel Welch; John Richardson; Percy Herbert

11/27/2018 024543586371 Phone Call From A Stranger DVD-9 1952 As the sole survivor of a plane crash, David Trask (Gary Merrill) takes on the responsibility of contacting the families of his fellow passengers. He thinks he knows what to expect, but people have secrets and lives hidden below the surface, and Trask learns that nobody is exactly as they appear. Bette Davis; Shelley Winters; Gary Merrill

There, she helps her ailing grandmother (Ethel Waters) by caring for her employer (Ethel Barrymore), an imperious plantation owner. When she names Pinky heiress to her estate, the community rises in resentment, triggering a sensational court trial. Subject of a landmark Supreme Court case in film censorship, this story about a mixed-race womans rights against prejudice, became itself, a battle for civil rights. Jeanne Crain; Ethel Barrymore; Ethel Waters

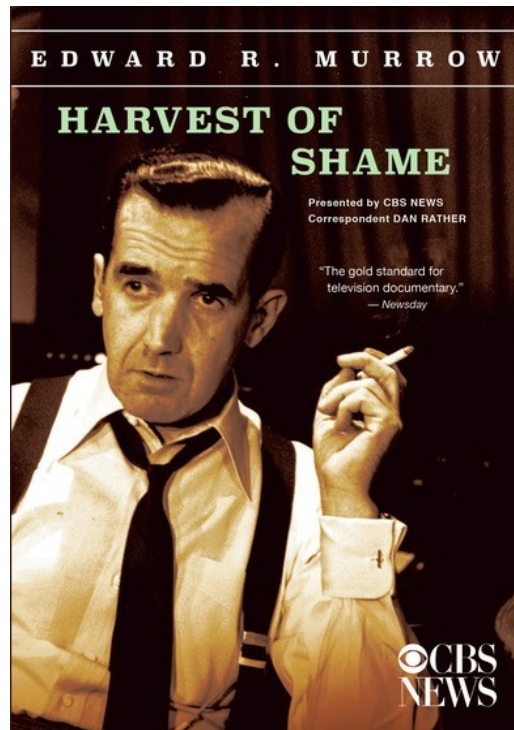

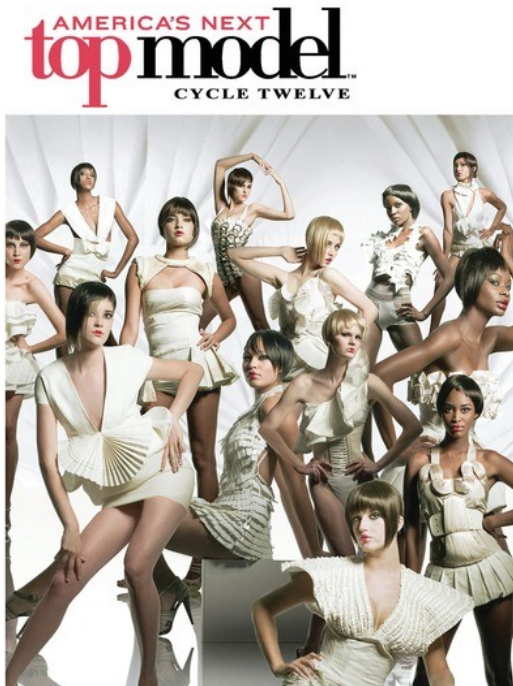

11/27/2018 024543586395 Rose Of Washington Square DVD-9 1939 Set in the colorful Prohibition era, this genuinely captivating (Los Angeles Times) musical stars Alice Faye as a rising Ziegfeld star who is faithful to her crooked, scheming husband (Tyrone Power) even after his showdown with the law. 12/11/2018 810162036249 Edward R. Murrow Collection: Harvest of Shame 1960
Legendary journalist Edward R. Murrow is undoubtedly the first hero in the history of American broadcasting, a distinguished reporter who forever set the industry gold standard through his unparalleled courage, integrity and newsgathering excellence. From his electrifying World War II frontline coverage to his once-in-a-lifetime interviews with such prominent 20th century icons as John F. Kennedy, Louis Armstrong and Fidel Castro, Murrow truly understood the spellbinding beauty and power of the spoken word, and television will forever be indebted to his unique contributions. Presented by CBS NEWS correspondent Dan Rather, Murrows HARVEST OF SHAME is among the most famous television documentaries of all time. Richly photographed and arrestingly poignant, this long-acclaimed 1960 expose on the plight of migrant farm workers resonated deeply for a nation unfamiliar with such brutally honest depictions of the living conditions that, as Murrow remarks, wrong the dignity of man. Televised to millions of Americans the day after Thanksgiving to better tap into their emotions, Murrows indispensable classic led to permanent changes in the laws protecting workers rights.

12/4/2018 **024543599395** **Mars S2** DVD-9 2018 MARS, from Brian Grazer and Ron Howard's Imagine Entertainment and RadicalMedia, is an epic and gripping new global event series that is destined to spark imaginations worldwide as it tells the story of making life on the red planet an exciting and real prospect. MARS features a unique blend of nail-biting scripted drama and feature film-caliber visual effects, intercut with documentary verité and interviews from present day scientists and innovators who are leading the research and development of space technology. The series unpacks what the greatest minds in space exploration are doing today, and dramatizes the world they are creating as they pull off mankind's greatest feat - interplanetary travel and colonization. Set in both the present day and a scientifically based, imagined future, this series tells an incredible story of the first manned mission to Mars in 2033. MARS is directed by visionary Mexican filmmaker Everardo Gout (Days of Grace), and includes

interviews with experts ranging from The Martian author Andy Weir to Neil deGrasse Tyson. With an international cast, world-leading scientists and an unrivaled team of producers and storytellers at the helm, this extraordinary documentary-scripted hybrid will be compelling viewing for all space enthusiasts and anyone who has ever asked, "Could we really make Mars home?"

11/27/2018 024543599388 Genius Picasso DVD-9 2018 Following the success of GENIUS: Einstein, National Geographic's first fully scripted drama, this wonderful anthology series returns, detailing the life and loves of the Spanish artistic genius Pablo Picasso - as well as highlighting his significant and wide-ranging contribution to modern art. Picasso is brought to life by Hollywood legend Antonio Banderas (The Legend of Zorro). Joining him as the younger Picasso, who rejects academic study and joins a circle of young bohemian artists and writers struggling to make it in early 20th century Spain and France, is Alex Rich (True Detective). The series follows the tumultuous marriages, passionate affairs and ever-shifting political and personal alliances that sparked Picasso's creative drive and pushed his boundaries of artistic expression, leading to his worldwide renown as a genius. It explores the Spanish expatriate's devotion to his craft and we also learn of his relationships with the other well-known personalities that crossed his path, including Coco Chanel, Henri Matisse, Marc Chagall and Jean Cocteau. Filmed in locations throughout Europe, including numerous places where Picasso lived and worked, GENIUS: PICASSO features a stellar cast, including Samantha Colley and Johnny Flynn who return from GENIUS: Einstein in new roles.
