Apsana broke her arranged engagement the day before her wedding to continue her education; Karishma made an unthinkable choice by running away and marrying a forbidden love; Samira accepted her fate and married as was expected of her, leaving her family behind. 3/26/2019 888574768263 Jane Fonda in Five Acts DVD-9 2018 Girl next door, sex kitten, fitness tycoon, high-profile activist, Oscar®-winner: Jane Fonda has lived a life marked by controversy, tragedy and transformation, and she's done it all in the public eye. This exclusive HBO documentary, directed and produced by the acclaimed filmmaker Susan Lacy, draws on 21 hours of recent interviews with Fonda, who speaks candidly and frankly about her life, her loves, her causes, and her missteps. She explores the pain of her mother's suicide, her famous father's emotional unavailability, 30 years of an eating disorder, and three marriages to highly visible, yet diametrically opposed, men (Roger Vadim, Tom Hayden and Ted Turner). Jane Fonda in Five Acts features interviews with family members (including Hayden and Turner) and close friends, as well as rare home movies and verité footage of Fonda's busy life today as she faces, at 80, "the beginning of my last act."

3/26/2019 883929669707 Camping: Season 1 DVD-9 2018 From Emmy®-nominated executive producers Lena Dunham and Jenni Konner (Girls), Camping follows a "back to nature" camping weekend thrown by the hyper-organized and aggressively controlling Kathryn (Jennifer Garner) in honor of the 45th birthday of her mild-mannered husband Walt (David Tennant). What should be a relaxing celebration in the wilderness becomes a test of friendships and marriages when Kathryn, her meek sister Carleen (Lone Skye), holier-than-thou ex-best friend Nina-Joy (Janicza Bravo), and free-spirited tagalong Jandice (Juliette Lewis) arrive, along with others, at the campground. Despite (or maybe because of) Kathryn's best efforts, the weekend morphs into a series of arguments, confessions, animal intrusions, emergency-room visits, and woman-on-woman crime that won't soon be forgotten. Along for the ride in this darkly funny eight-episode comedy are Walt's best friend George (Brett Gelman), Nina-Joy's husband, whose happy-go-lucky façade hides some barely repressed rage; Walt's recently separated friend Miguel (Arturo Del Puerto), who's smack dab in the middle of a midlife crisis; and Carleen's

recovering addict boyfriend who's inching progressively closer to self-destruction.

3/19/2019 810017880041 Edge of Obedience [DVD] 2019 Ahmad Zakii Anwar may well be Malaysia's best-known artist. He became famous for his photo-realistic animal pictures, still life paintings and expressive portraits, which offer a timeless interpretation of modern Asian society. This documentary looks at the way Zakii's art continues to defy convention in an increasingly radical Islamic world. Ahmad Zakii Anwar's paintings of naked male bodies are both provocative and fascinating, especially in a country like Malaysia, where Islamic Sharia law prevails. It is a society that regards nakedness and even being different as taboo. Ahmad Zakii

Anwar, is one of Malaysia's most sought-after artists in Western countries. This documentary by director and producer Jin-Theng Craven ('Being and Becoming Chua Ek Kay') is the first to look at the painter and his work in detail and examine its meaning in both a radicalising society and a liberal one. 3/19/2019 024543508366 The President's Photographer: 50 Years Inside the Oval Office 2019 Pete Souza is never far behind President Obama. In fact, sometimes he's ahead of him. As Obama's chief White House photographer, Souza is Obama's shadow. With unprecedented access, National Geographic follows Souza inside the Obama White House, aboard Air Force One, backstage at the State of the Union, and into the heart of the West Wing. Also featuring previous presidents and their official photographers, this revealing program, spans half a century inside the Oval Office. It's a behind-the-scenes look at the everyday grit of the American Presidency, and a chance to see what it's like to cover the most powerful man in the world. TV- Reality; Adventure

3/19/2019 024543509363 Wild Yellowstone 2019 Yellowstone National Park is unique and beautiful, justifiably world-famous for its wild creatures and sizzling geothermal features. But for the animals that live there, life is often not easy. Filmed in both summer and winter, with remarkable close-range footage of Yellowstone's wildlife, Wild Yellowstone captures the essence - the harsh edges and breathtaking beauty - of one of the most extraordinary places in the world. TV- Reality; Adventure

3/12/2019 024543632894 America's National Parks: Yosemite & Olympic 2019 This premium blue-chip program showcases "America's best idea," presenting some of the most breathtaking landscapes in the world, and featuring stories of our nation's most majestic vistas and beloved animals. Yosemite National Park- set within California's Sierra Nevada mountains and designated a World Heritage Site - is home to hundreds of wildlife species, and is famed for its iconic mountain vistas, waterfalls, and giant sequoia groves. Olympic National Park in Washington State, with nearly one million acres, protects a rich mosaic of nature. Untamed rivers flow from glacier-capped peaks through valleys of old-growth forests, and waves crash against 73 miles of spectacular shoreline rich with life. TV- Reality; Adventure

3/12/2019 024543506584 Are You Tougher Than A Boy Scout 2019 This exciting yet moving reality competition series follows six elite U.S. Boy Scouts as they compete against different adult men in a variety of Scout-based challenges. The Boy Scouts live by the Scout Law, so the competitors are not only judged on if they can complete each challenge, but if they can complete the challenge the "Boy Scout way." The Boy Scouts look at the character of each adult as well as physical endurance, strength, agility and brains. This is a personal journey for our three men, looking for redemption and a chance to prove their worth. In the end, only one man will emerge as the best to compete against the top Scouts and to finally learn if he is truly tougher than a Boy Scout. TV- Reality; Adventure
