WITNESS THE RISE OF THE KING WHEN KONG: SKULL ISLAND ARRIVES ONTO BLU-RAY 3D COMBO PACK FROM WARNER BROS. HOME ENTERTAINMENT

Burbank, CA, May 24, 2017 - See the origins of one of the most powerful monster myths of all when "Kong: Skull Island" arrives onto Blu-ray 3D Combo Pack. This compelling, original adventure from director Jordan Vogt-Roberts ("The Kings of Summer") tells the story of a diverse team of scientists, soldiers and adventurers uniting to explore a mythical, uncharted island in the Pacific, as dangerous as it is beautiful.

"Kong: Skull Island" stars Tom Hiddleston ("The Avengers," "Thor: The Dark World"), Oscar® nominee Samuel L. Jackson (Best Supporting Actor, "The Color Purple," 1994, "Pulp Fiction,"), John Goodman ("Transformers: Age of Extinction," "Argo"), Oscar winner Brie Larson (Best Actress, "Room," 2015) and Oscar nominee John C. Reilly (Best Supporting Actor, "Chicago," 2003).

Vogt-Roberts directed the film from a story by John Gatins and Dan Gilroy and a screenplay by Dan Gilroy and Max Borenstein. "Kong: Skull Island" is produced by Thomas

Tull, Mary Parent, Jon Jashni and Alex Garcia, with Eric McLeod and Edward Cheng serving as executive producers.

To fully immerse audiences in the mysterious Skull Island, director Jordan Vogt-Roberts and his team filmed across three continents over six months, capturing its primordial landscapes on Oahu, Hawaii, Australia's Gold Coast and Vietnam, filming across multiple locations, some of which have never before been seen on film.

"Kong: Skull Island" will be available on Blu-ray 3D Combo Pack for \$44.95. The Blu-ray 3D Combo Pack features the theatrical version of the film in 3D hi-definition and hi-definition.

Additionally, all of the special features, including interviews with filmmakers, new original shorts, featurettes, and deleted scenes, can be experienced in an entirely new, dynamic and immersive manner on tablets and mobile phones using the Warner Bros. Movies All Access App, available for both iOS and Android devices. When a Combo Pack is purchased and the digital movie is redeemed, or the digital movie is purchased from an UltraViolet retailer, the Warner Bros. Movies All Access App allows users to watch the movie and simultaneously experience synchronized content related to any scene, simply by rotating their device. Synchronized content is presented on the same screen while the movie is playing, thus enabling users to quickly learn more about any scene, such as actor biographies, scene locations, fun trivia, or image galleries. Also, users can share movie clips with friends on social media and experience other immersive content. The Movies All Access app is available for download on the iTunes App Store and Google Play Store.

The Blu-ray discs of "Kong: Skull Island" will feature a Dolby Atmos® soundtrack remixed specifically for the home theater environment to place and move audio anywhere in the room, including overhead. To experience Dolby Atmos at home, a Dolby Atmos enabled AV receiver and additional speakers are required, or a Dolby Atmos enabled sound bar; however, Dolby Atmos soundtracks are also fully backward compatible with traditional audio configurations and legacy home entertainment equipment.

6/13/2017 888574535346 Desperate Living (1977) 1977 Things get rocky at the Gravel household when paranoid Peggy Gravel (Mink Stole) and her murderous maid, Grizelda (Jean Hill), kill Peggy's husband. They escape from the law, only to wind up in the crazy town of Mortville, where Queen Carlotta (Edith Massey) presides over a sleazy collection of misfits, including the vivacious Muffy St. Jacques (Liz Renay). When the queen disinherits her daughter, Princess Coo-Coo (Mary Vivian Pearce), the citizens of Mortville decide that it's time for a few changes! Liz Renay; Mink Stole; Susan Lowe; Edith Massey; Mary Vivian Pearce; Jean Hill

6/13/2017 888574535391 Pink Flamingos: 25th Anniversary Edition 1972 "Director John Waters breaks every rule of good filmmaking and good taste with his 1972 landmark cult classic, Pink Flamingos. Starring Divine, Mink Stole and Edith Massey (an ensemble cast like you wouldn't believe), this underground epic sets a benchmark for the bizarre that has never been equaled. Divine, whose star is so big she can hardly fit in the role, is Babs Johnson, a trailer park bon vivant who proudly claims the title "The Filthiest Person Alive." She's the envy of every neighborhood degenerate and it isn't long before another couple sets their sights on Divine's legacy, in the proud American tradition, competition forces each contender to outdo the other. By the time the film reaches its final, unforgettable scene...well...make sure you've already finished your popcorn." Divine; David Lochary; Mary Vivian Pearce; Mink Stole; Danny Mills; Edith Massey; Channing Wilroy; Cookie Mueller

6/13/2017 888574489014 Annie Get Your Gun 1950 Betty Hutton (as Annie Oakley) and Howard Keel (as Frank Butler) star in this sharpshootin' funfest based on the 1,147-performance Broadway smash boasting Irving Berlin's beloved score, including "Doin' What Comes Natur'lly," "I Got the Sun in the Morning" and the anthemic "There's No Business Like Show Business." As produced by Arthur Freed, directed by George Sidney, and seen and heard in a digital transfer from restored elements, this lavish, spirited production showcases songs and performances with bull's-eye precision, earning an Oscar®* for adaptation scoring. The story is a brawling boy-meets-girl-meets-buckshot rivalry. But love finally triumphs when Annie proves that, yes, you can get a man with a gun! Betty Hutton; Howard Keel; Louis Calhern; J. Carrol Naish; Edward Arnold; Keenan Wynn; Benay Venuta; Clinton Sundberg

6/13/2017 888574489045 Bells are Ringing 1960 "The "getup" in New York's get-up-and-go comes from the switchboard operators of Susanswerphone. Need a wake-up call? Your appointments? Encouragement from "Mom"? A racetrack bet? It all comes from that dutiful nerve - or noive - center that keeps enterprises enterprising and, maybe, wedding

bells ringing. Judy Holliday reprises her Tony®-winning Broadway role of irrepressible switchboard girl Ella in a jubilant adaptation that marked her final movie and the final teaming of movie-musical titans Arthur Freed and Vincente Minnelli. Dean Martin costars as a struggling playwright in for a surprise when he learns "Mom's" identity. The sparkling Jule Styne/Betty Comden/Adolph Green score includes Holliday's heartfelt "The Party's Over" and the jolly Holliday/Martin duet "Just in Time." You've dialed the right number, musical fans!" Judy Holliday; Dean Martin; Fred Clark; Eddie Foy, Jr.; Jean Stapleton; Ruth Storey; Dort Clark; Frank Gorshin; Ralph Roberts; Valerie Allen; Bernie West

6/13/2017 888574489175 Les Girls 1957 ""Bravo," say critics about an entertainer's tell-all memoir chronicling her days in the cabaret act Barry Nichols and Les Girls. "Libell," cries another of Les Girls, setting in motion a talons-and-fact-baring litigation that proves Les Girls will be girls and that Cole Porter movie musicals will always sparkle. Gene Kelly plays Nichols, and Mitzi Gaynor and Golden Globe® Best Actress winners Kay Kendall and Taina Elg are the femmes in this George Cukor-directed romp that won a Best Costume Design Oscar®* and another Golden Globe® for Best Comedy/Musical. Among the highlights: a ribald "Ladies in Waiting" and a hepcat parody of The Wild One called "Why Am I So Gone About That Gal?" You'll be so gone about Les Girls." Gene Kelly; Mitzi Gaynor; Kay Kendall; Taina Elg; Jacques Bergerac; Leslie Phillips; Henry Daniell; Patrick Macnee; Stephen Vercoe; Philip Tonge

6/13/2017 888574488550 Newsreaders: The Complete Second Season 2014 From the creative team behind the irreverent, Emmy®-winning comedy Childrens Hospital, Newsreaders continues to satirize the network television newsmagazine genre savagely, bringing viewers inspiring and thought-provoking stories that are neither of those things. New host Reagan Biscayne (Alan Tudyk, Powerless, Star Wars: Rogue One) joins reporters and commentators Xandra Dent (Alison Becker, Parks and Recreation), Sadee Deenus (Beth Dover, Childrens Hospital), Amir Larussa (Kumail Nanjiani, Silicon Valley), Clavis Kim (Randall Park, Fresh Off the Boat), Narge Hemingway (Dannah Feinglass Phirman, WordGirl), Jim Davidson (David Wain, Wet Hot American Summer) and Skip Reming (Ray Wise, Twin Peaks) for an even harder look at hard news. So hard. Season Two guests include David Hasselhoff, Scott Adsit, Malin Akerman, Jenna Fischer, Rob Huebel, Tom Lennon, Danny Pudi, Rob Riggle, Martin Starr, James Urbaniak and Billy Ray Cyrus. Alan Tudyk; Alison Becker; Beth Dover; Dannah Feinglass Phirman; Ray Wise

6/13/2017 888574489311 Summer Stock 1950 There's an unusual harvest at Falbury Farm: beans, hay...show tunes. It's a bumper crop, too, with Judy Garland and Gene Kelly leading all the hoofing, singing and sparking. In her final MGM musical, Garland plays Jane Falbury, a farm owner more than a bit riled when her aspiring-actress sister (Gloria De Haven) shows up with a theatrical troupe that wants to stage a musical in the family's barn. Any guess who becomes the show's sudden star after its lead runs off with a Broadway actor? Highlights include Kelly's shuffle-and-squeak "You, Wonderful You" dance solo, making use of loose boards and newspaper on the floor; tuxedo-topped Garland's leggy, joyous "Get Happy;" and a Kelly/Phil Silvers country-bumpkin bit of "Heavenly Music," backed by woofing canines. After a show like this, how're you gonna keep these kids down on the farm? Judy Garland; Gene Kelly; Eddie Bracken; Marjorie Main; Phil Silvers; Ray Collins; Nita Bieber; Carleton Carpenter; Hans Conried

6/13/2017 888574513528 The Gumball Rally 1976 "It's fast, funny, outrageously illegal - and the granddaddy of the cross-country speed spectacles that have raced across movie screens in the past two generations. Put your pedal to the metal for The Gumball Rally. New York City is the starting point, and this supersonic contest ends 2,900 miles later in Los Angeles. In between, director Chuck Bail (coordinator of many classic movie stunt sequences) and a crew of actors and stuntpersons treat you to a truly breakneck road comedy. Gary Busey plays a daredevil in a 600-horsepower Camaro. Raul Julia portrays an Italian Grand Prix champ who's also an incurable romantic in a fast Ferrari. Michael Sarrazin as the race's crafty, overconfident organizer pilots a classic Cobra. Ready,

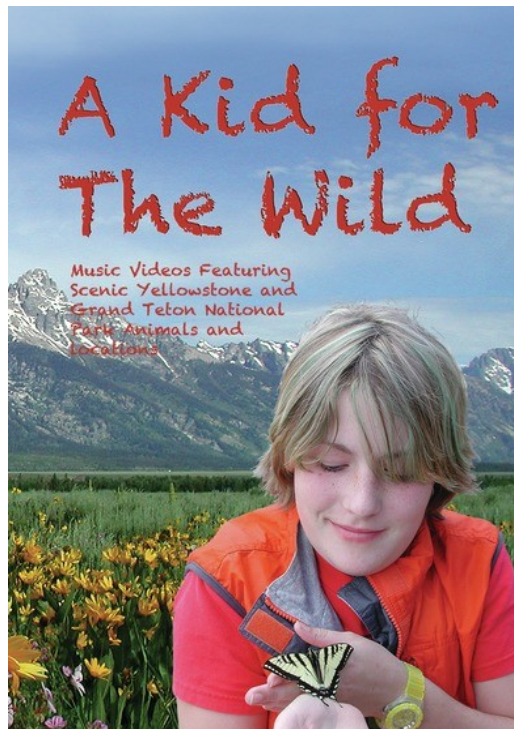

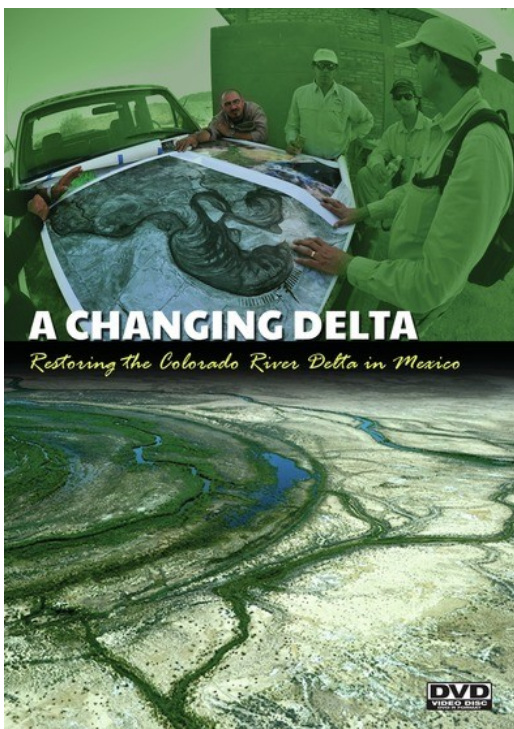

set, zoom!" Michael Sarrazin; Norman Burton; Gary Busey; John Durren; Susan Flannery; Harvey Jason; Steven Keats; Tim McIntire; Joanne Nail; J. Pat O'Malley; Tricia O'Neil; Nicholas Pryor; Vaughn Taylor; Wally Taylor; Raul Julia; Lazaro Perez

06/08/17 818522018379 Shannon Street: Echoes Under a Blood Red Moon 2016 " In January of 1983, the city of Memphis, Tennessee was shaken to its core when two officers

Thirty-three years after the event, police and tactical officers, family members, medical experts, police dispatchers, politicians and civil rights leaders come together to recount their memories of this infamous event with the screams of a tortured officer and the sounds of gunfire still echoing to this day.

This documentary reflects on the 1983, thirty-hour hostage siege at Shannon Street in Memphis, TN. It compares that era to the current societal events of religion, racism, police involved shootings of civilians and the death of police officers. While briefly touching on the proactive approaches by law enforcement enacted since the siege, interviewees reflect on the emotional impact the incident had on their personal lives." Flicker Alley Releases Japan DVD Rarity

06/01/2017 818522018393 A Page of Madness & Portrait of a Young Man [Blu-ray] BD-50 1926 / 1925-1931 A Page of Madness (1926) Teinosuke Kinugasas A Page of Madness (Kurutta ichipeiji) , produced in mid-1920s Japan, is widely considered to be one of the touchstones of early avant-garde cinema, and is also one of the most challenging and narratively complex films of the era. The fact that this important work has never before been released on home video may be in part due to the textual difficulty, though certainly the scarcity of source material was also a contributing factor. Now, thanks to Blackhawk Films , Flicker Alley is proud to present the Blu-ray premiere of A Page of Madness in a new high-definition scan with by a score by the Alloy Orchestra. Both an attempt at redefining narrative conventions and a harkening back to traditional, Japanese melodrama, the film can be seen as a negotiation of cinematic potentials at a time of historic change and theoretical division in the art form. Random Media Releases Frank vs God

06/06/17 **818522018362** **Frank vs God** 2017 When we meet David Frank he is a mess. A wounded lion. His spirit shattered by the death of his wife, this formerly successful corporate attorney spends days in his bathrobe with his only real companion, his beloved bulldog, Brutus. But while away on a trip to visit his beloved niece Lucy, just outside of Orlando, a Tornado threatens to destroy his house. David races home in a heroic effort to save poor Brutus, but is stopped by the police and watches helplessly as the dark funnel of destruction sucks up the house, and the dog, like some Wizard of Oz nightmare - the punishing finger of God. Then, adding insult to injury, the Insurance Company tells him they won't pay because the damage falls under the 'Act of God' clause in his policy. David is livid. But then he gets the bright idea to sue God Himself for damages, naming representatives of all different faiths as co-defendants. Fueled by a megalomaniacal and opportunistic judge, a beautiful but damaged defense attorney, and David Frank's own sharply-honed legal gymnastics, what starts out as a crazy, radical stunt ultimately becomes a very deep and soulful journey. Henry Ian Cusick, Ever Carradine, Natalya Oliver, Bern Cohen, Terry Loughlin

09/12/2017 888608667579 The Music of Strangers: Yo-Yo Ma & the Silk Road Ensemble

2016 Over the past 16 years, an extraordinary group of musicians has come together to celebrate the universal power of music. Named for the ancient trade route linking Asia, Africa and Europe, The Silk Road Ensemble, an international collective created by legendary cellist Yo-Yo Ma, exemplifies music's ability to blur international boundaries, blend disparate cultures and inspire hope for artist and audience. The Sound of Silk, the latest film from the creators of the Oscar-winning documentary 20 Feet from Stardom, and the critically-acclaimed Best of Enemies follows an ever-changing lineup of performers drawn from the ensembles more than 50 instrumentalists, vocalists, composers, arrangers, visual artists and storytellers as they gather in locations across the world, exploring the ways art can both preserve traditions and shape cultural evolution. Blending performance footage, personal interviews and archival film, director Morgan Neville and producer Caitrin Rogers focus on the journeys of a small group of Silk Road Ensemble mainstays from across the globe to create an intensely personal chronicle of passion, talent and sacrifice. Through these moving individual stories, the filmmakers paint a vivid portrait of a bold musical experiment and a global search for the ties that bind. 95:00 The Orchard Yo-Yo Ma;Cristina Pato;Kinan Azmeh;Kayhan Kalhor;Wu Man
