**6/27/2017 888574460273 Alaska** 1996 Teenagers Jessie (Thora Birch) and Sean (Vincent Kartheiser) Barnes challenge both nature and themselves on a death-defying mission through the Arctic wilderness. Six months ago, their mother's death prompted their father (Dirk Benedict) to relocate the family to an Alaskan village where he's built a new life as a bush pilot. When his plane crashes in a mountain range, Jessie and Sean set out to find him. Along the way they rescue an amazingly friendly polar bear cub from a poacher (Charlton Heston) and test their courage through sea kayaking, shooting rapids, trekking over glaciers and climbing mountains. Under the able direction of Fraser C. Heston (Treasure Island, Needful Things), it all adds up to a real cliffhanger! Thora Birch; Vincent Kartheiser; Dirk Benedict; Charlton Heston; Duncan Fraser; Gordon Tootoosis; Ben Cardinal; Ryan Kent; Don S. Davis

**6/27/2017 888574489076 Brother Orchid** 1940 With lots of spiffy patter and a colorful array of underworld types, Brother Orchid spoofs the gangster genre as it serves its most hard-boiled crime icon sunny-side up. Edward G. Robinson (Little Caesar) plays racketeer Little John Sarto, who poses as Brother Orchid and lays low at a monastery when a turf war gets hot. Humphrey Bogart, on the verge of The Maltese Falcon stardom, again plays a second banana with a gun - and ideas about taking over Sarto's mob. And Ann Sothorn is delightfully scatterbrained as Sarto's devoted doll. Gags, gats, genuflection - all are directed in cheerfully knockabout style by Lloyd Bacon. Oh, brother, what great fun! Edward G. Robinson; Ann Sothorn; Humphrey Bogart; Donald Crisp; Ralph Bellamy; Allen Jenkins; Charles D. Brown; Cecil Kellaway; Morgan Conway; Richard Lane; Paul Guilfoyle; John Ridgely; Joseph Crehan; Wilfred Lucas; Tom Tyler; Dick Wessel; Granville Bates; Paul Phillips; Don Rowan; Nanette Vallon; Tim Ryan; Joe Cairns; Pat Gleason; Tommy Baker

**6/27/2017 888574489083 Dead-Bang** 1989 "You know the man at a glance. And he still carries a badge. Don Johnson (Miami Vice, Nash Bridges) now prowls L.A.'s mean streets as Det. Jerry Beck in Dead-Bang, an explosive thriller drawn from Beck's true-life exploits and directed by John Frankenheimer (The Manchurian Candidate, Seven Days in May). Beck's life is on the skids. The one thing he has going for him is police work. His street smarts and instinct for trouble have catapulted him onto the trail of a gang of murderous white supremacists - and into the bullet-frenzied firestorm in their subterranean Colorado headquarters. It's a ride without handrails, seat belts or brakes, a headlong plunge into the heroics of a law enforcer pushed to the max." Don Johnson; Penelope Ann Miller; William Forsythe; Bob Balaban; Frank Military; Tate Donovan; Tim Reid

**6/27/2017 888574489212 Power** 1986 Power, directed by Sidney Lumet (Network, Prince of the City) depicts how calculated and dehumanized the political process has become. The film shows the maneuverings of political candidates as they try to get elected, and the people hired to sell them to the public - the media consultants. "It's smart, it's knowledgeable, sometimes it's funny, occasionally it's very touching, and I learned something from it" (Roger Ebert, Chicago Sun-Times). Richard Gere; Julie Christie; Gene Hackman; Kate Capshaw; Denzel Washington; E.G. Marshall; Beatrice Straight; Fritz Weaver; Michael Learned; J.T. Walsh

**6/27/2017 888574489823 Running on Empty** 1988 "After antiwar activists Annie and Arthur Pope (Christine Lahti and Judd Hirsch) blew up a napalm lab in 1971, they became lifelong fugitives. They and their children have stayed just one step ahead of the law, running from state to state, job to job, identity to identity. But now elder son Danny (River Phoenix) wants to stop running from a past not his. And to do so, he might never see his on-the-lam family again. Directed by Sidney Lumet from Naomi Foner's Golden Globe® Award-winning screenplay, this powerful, bittersweet movie also stars Martha Plimpton and Steven Hill, and earned acting honors for the emotional performances of Lahti (Los Angeles Film Critics Best Actress Award) and Phoenix (named Best Supporting Actor by the National Board of Review)." Christine Lahti; River Phoenix; Judd Hirsch; Martha Plimpton; Jonas Abry; L.M. Kit Carson; Ed Crowley; Steven Hill

**6/27/2017 888574489052 The Betsy** 1978 "Within the Hardeman family that runs the Bethlehem Motors auto empire, Angelo Perino's an outsider. But that won't stop him from bringing on line an innovative new car - The Betsy - and making his presence known from the boardroom to the bedroom. Making his presence known in an authoritative early-career performance as the iron-willed Perino is Academy Award®-winner\* Tommy Lee Jones, heading this Harold Robbins saga of boudoir-hopping and power-lusting among four generations of Hardemans. Laurence Olivier, Robert Duvall, Katharine Ross, Lesley-Anne Down and Jane Alexander are among the cast of this sleek foray into the world of the rich, the chic, the taboo and The Betsy." Laurence Olivier; Robert Duvall; Katharine Ross; Tommy Lee Jones; Jane Alexander; Lesley-Anne Down; Joseph Wiseman; Kathleen Beller; Edward Herrmann; Paul Rudd (II); Roy Poole; Richard Venture; Titos Vandis; Clifford David; Inga Swenson; Whitney Blake; Carol Williard; Read Morgan; Charlie Fields

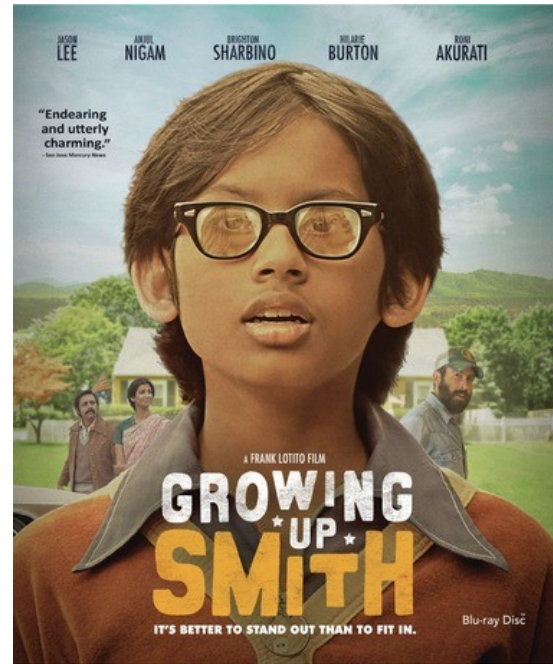

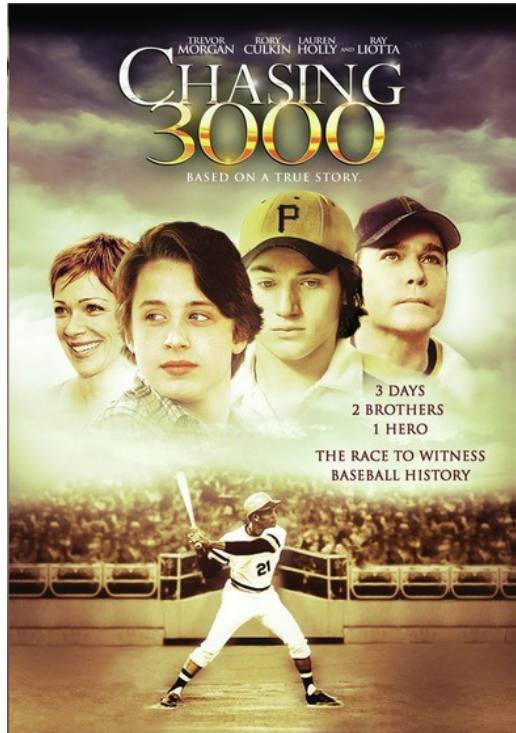

**6/27/2017 888574488543 The Jamie Foxx Show: The Complete Third Season** 1998-1999 In the third season of The WB's top-rated comedy, Jamie King (Jamie Foxx) edges ever closer to his dreams of being an "overnight" Hollywood sensation, while simultaneously getting closer to his favorite King's Tower coworker, the gorgeous "Fancy" Monroe (Garcelle Beauvais). However, buttoned-down accountant Braxton P. Hartnabrig (Christopher B. Duncan), who also fancies Fancy, makes every attempt to thwart Jamie's efforts to get closer to her. As the season three shenanigans come to a head, Jamie's perseverance may finally be paying off, as the limelight seems to be heading his way. He's gaining notice in Hollywood as he embarks on the process of auditioning, and he scores a major coup - a summer tour with top R&B duo K-Ci and Jo Jo. Jamie's sudden success finally prompts Fancy to admit her true feelings for Jamie, but will it be too late? Also starring Ellia English and Garrett Morris. A 3-disc, 20-episode collection. Jamie Foxx; Garcelle Beauvais-Nilon; Christopher B. Duncan; Ellia English; Garrett Morris

**6/27/2017 888574489359 They Drive By Night** 1940 George Raft and Humphrey Bogart share a driving ambition in They Drive by Night, a feisty tale of brothers trying to make it as independent truckers. Ann Sheridan plays a truck-stop waitress dishing both the daily special and the patter. And Ida Lupino is a headstrong executive mixing business and romance with murder. With Bogart again riding shotgun en route to leading-man stardom (which he would achieve the following year) and Raft at the wheel in one of his best roles, this fine example of Warner Bros. social-conscience filmmaking (directed by Raoul Walsh) proved a sturdy vehicle for both. It proved even more fortuitous for Lupino:

Her courtroom breakdown made her an "overnight" sensation that landed her a studio contract. George Raft; Ann Sheridan; Ida Lupino; Humphrey Bogart; Gale Page; Alan Hale; Roscoe Karns; John Littel; George Tobias

## Cinedigm Roberto Clemente drama "Chasing 3000" plus "Growing up Smith" on DVD

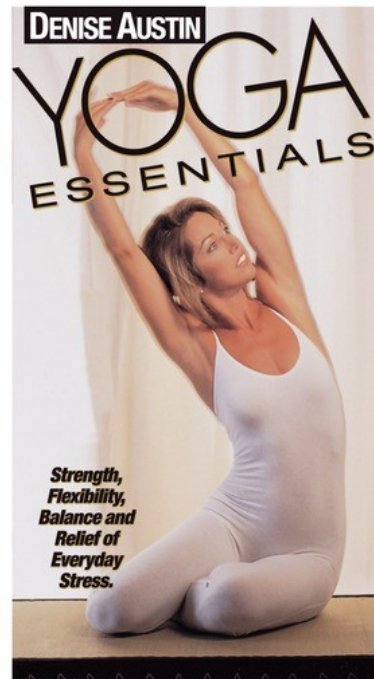

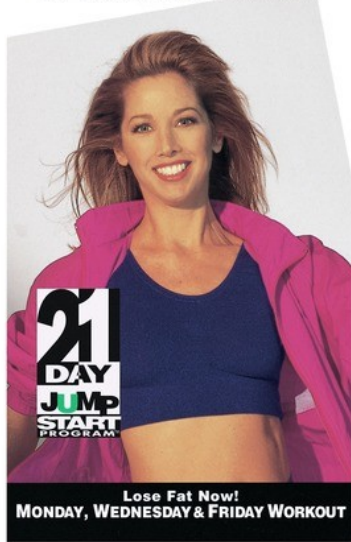

**7/11/2017 767685154328 Chasing 3000** 2010 Heartwarming and inspired by a true story, Chasing 3000 is set against the backdrop of Roberto Clemente's historic chase to get his 3000 hit. Mickey, 16, and a lifelong Pirates fan, resents his family's move to California, made to accommodate his brother Roger, who suffers from Muscular Dystrophy. Unhappy with his new surroundings, Mickey steals his mother's car and plans to race across the country to see Clemente's historic moment. His only problem: Roger wants to come along. The brothers set off and begin reconnecting as various obstacles push them closer. However, when the trip takes its toll on Roger's health, Mickey is forced to re-evaluate his priorities. Rory Culkin, Ray Liotta, Lauren Holly

**6/16/2017 767685153635 Growing Up Smith** 2017 Growing Up Smith is the feel-good, coming-of-age story of Smith, a 10-year-old boy from India growing up in Small Town, America in 1979. As the boy's family tries to straddle the line between embracing the American Dream and preserving their Indian heritage, Smith sneaks out for a taste of Kentucky Fried Chicken, dons a Saturday Night Fever costume, and contends with his parents as they send him to school with a yellow squash instead of a pumpkin to carve for Halloween. And as Smith falls head over heels in love with Amy, the girl next door, he finds in Amy's father, Butch, the all-American cowboy he wishes his own father could be. Jason Lee, Anjul Nigam, Brighton Sharbino

**09/12/2017 888608667579 The Music of Strangers: Yo-Yo Ma & the Silk Road Ensemble**  
2016 Over the past 16 years, an extraordinary group of musicians has come together to celebrate the universal power of music. Named for the ancient trade route linking Asia, Africa and Europe, The Silk Road Ensemble, an international collective created by legendary cellist Yo-Yo Ma, exemplifies music's ability to blur international boundaries, blend disparate cultures and inspire hope for artist and audience. The Sound of Silk, the

latest film from the creators of the Oscar -winning documentary 20 Feet from Stardom, and the critically-acclaimed Best of Enemies follows an ever-changing lineup of performers drawn from the ensembles more than 50 instrumentalists, vocalists, composers, arrangers, visual artists and storytellers as they gather in locations across the world, exploring the ways art can both preserve traditions and shape cultural evolution. Blending performance footage, personal interviews and archival film, director Morgan Neville and producer Caitrin Rogers focus on the journeys of a small group of Silk Road Ensemble mainstays from across the globe to create an intensely personal chronicle of passion, talent and sacrifice. Through these moving individual stories, the filmmakers paint a vivid portrait of a bold musical experiment and a global search for the ties that bind. 95:00 The Orchard Yo-Yo Ma;Cristina Pato;Kinan Azmeh;Kayhan Kalhor;Wu Man
