03/05/2018 191091610206 My Friend Dahmer Special Edition DVD-9 2017 "Jeffrey Dahmer murdered 17 men and boys in the American Midwest, becoming one of history's most infamous serial killers. This is the story before that story. Jeff (Disney Channel's Ross Lynch) is an awkward teenager struggling to make it through high school with a family life in ruins. His bizarre behavior at school attracts unexpected friends, a group of band-nerds who form The Dahmer Fan Club, headed by Derf Backderf (Alex Wolff, "Patriots Day"). But as they near graduation, Jeff's depravity continues to take hold, and he spirals further out of control. Based on Backderf's critically acclaimed 2012 graphic novel, and written for the screen and directed by Marc Meyers, MY FRIEND DAHMER is the haunting, sad, funny, true story of Jeffrey Dahmer in high school.

He begins to navigate a totally unknown world of frenetic networking meetings and events and meets a cast of hilarious characters - such as David Finkelstein, an Asian-American with a proclivity to speak Yiddish! As John races the clock he experiences the ups and downs of generating new business, at times being elated at opportunities and at other times being plummeted into deep despair. But inspiration comes from a surprisingly small package - an ingenious idea that, if executed correctly, will indeed be the answer John has been looking for. Domenico Nesci is not one of those Italian men. Rather, he is a foreigner with a very common problem: he just can't connect with members of the opposite sex. Why? Because everywhere he goes, women are buried in their smart-phones, their tablets, their laptops, looking down instead of looking around, hoping that technology will bring them closer to their soulmate in this new era of interconnectivity. So Domenico decides not only to join the online masses, but to document his journey as he joins every dating site he can, from mainstream to fringe, casting an ever-widening net in the hopes he can find the love of his life. 02/13/18 **810162030681 A Ghost and The Boy With A Box On His Head** DVD-5 2017 Theo meets his perfect girl whom no one else can see. Her name is Sadie and she's everything he's envisioned; down to the eerily similar doodles he made while daydreaming about her. Denying the reality that others impose on him about her existence, he fights to hold on to her perfection. He is sent to a psychiatric hospital after

irrefutable proof confirms he has a mental illness. Here, he rediscovers Sadie and goes through an adventure into the depths of his mind while battling diagnoses of schizophrenia. After being prescribed medication to cure his delusions, Theo runs away with Sadie. Once he is caught and sent back home, he must make the ultimate decision. Either he takes the medication and conforms to society or sacrifices himself to find happiness with Sadie, even if it's only in his mind. 3/27/2018 888574623357 Batman & Mr. Freeze: SubZero [Blu-ray] BD-50 1997
 "Batman faces his coolest case ever when Mr. Freeze returns to Gotham City and kidnaps Batgirl. While unraveling the mystery of Batgirl's disappearance, Batman and Robin discover that she is part of Mr. Freeze's frigid plan to save his dying wife - no matter what the cost.
 With time running out, Batman and Robin must find Gotham's most cold-blooded villain and prevent him from putting Batgirl "on ice" forever." Kevin Conroy; Michael Ansara; Loren Lester

3/27/2018 888574627805 Dr. Jekyll and Mr. Hyde DVD-5 1932 ""I'll show you what horror means..." growls the hideous Mr. Hyde (Fredric March) as the helpless, terrified Ivy (Miriam Hopkins) cowers on her bed. And now you'll see too, as you watch this fully restored 1932 version of Robert Louis Stevenson's spine-chilling masterpiece. With the inclusion of 17 minutes of previously censored material, this is the definitive Dr. Jekyll

and Mr. Hyde. Director Rouben Mamoulian's choice of young, handsome Fredric March (known then as a comic actor) to play the lead raised studio hackles. But Mamoulian argued, "I don't want Hyde to be a monster. Hyde is not evil, he is the primitive, the animal in us, whereas Jekyll is a cultured man, representing the intellect. Hyde is the Neanderthal man, and March's makeup was designed as such." Obviously, Mamoulian's insistence paid off, as March won 1932's Oscar® for Best Actor. Indeed, the public's fascination with Hyde equaled that of Boris Karloff's Frankenstein and Bela Lugosi's Dracula." Fredric March; Miriam Hopkins; Rose Hobart; Holmes Herbert; Edgar Norton; Halliwell Hobbes; Tempe Pigott

3/27/2018 888574642358 Murder Ahoy DVD-5 1964 "Miss Marple navigates treacherous waters to catch a maritime killer! One of Britannia's ships is manned by a crew of delinquents trying to build new lives. But it's their old lives that figure into this cunning mystery: Someone aboard ship wants to hone the ruffians' natural bent for crime by turning them into expert thieves. And that someone will kill to keep the plot secret. Margaret Rutherford steers her third course as spinster sleuth Miss Marple, sailing full speed into mystery and mayhem on the high seas. And it isn't just her rapier-sharp mind that gets a workout. When her demise seems imminent, Miss Marple proves why she was Ladies' National Fencing Champion in 1931!" Margaret Rutherford; Lionel Jeffries; Charles Tingwell; William Mervyn; Joan Benham; Stringer Davis; Nicholas Parsons; Miles Malleon; Henry Oscar; Derek Nimmo; Gerald Cross; Norma Foster; Terence Edmond; Francis Matthews; Lucy Griffiths; Bernard Adams; Tony Quinn; Edna Petrie

3/27/2018 888574642365 Murder Most Foul DVD-5 1964 "The Cosgood Players are knocking 'em dead. Literally. No matter what's on the playbill, the shabby repertory company seems to specialize in mysteries as members of the troupe shuffle off this mortal coil in alarmingly rapid succession. Luckily, the Players have a detective in the cast: their newest (if not quite an ingenue) thespian, the redoubtable Miss Marple. Margaret Rutherford takes her final bow as Miss Marple in Murder Most Foul, a mystery most fun inspired by Agatha Christie's Mrs. McGinty's Dead. Ron Moody (Oliver!) costars in an ingenious baffler abounding in suspects, clues and red herrings - all ending in the unmasking of the murderer during a performance. Curtain up!" Margaret Rutherford; Ron Moody; Charles Tingwell; Andrew Cruickshank; Megs Jenkins; Dennis Price; Ralph Michael; James Bolam; Stringer Davis; Francesca Annis; Alison Seebohm; Terry Scott; Pauline Jameson

3/27/2018 888574642372 Murder, She Said DVD-5 1961 "Who's that in the frilly cap and apron, toting the tea tray? Not a pert French maid, but spinster sleuth Miss Marple in disguise. And it's not Darjeeling that's caught her interest - it's murder. British national treasure Margaret Rutherford makes her first appearance as the famed detective in this sly, engaging mystery based on Agatha Christie's 4:50 from Paddington. Comfily ensconced in her railway carriage, Miss Marple sees a strangulation aboard a passing train, then follows a trail of baffling clues to a manor house inhabited by a quarrelsome family. There she takes a job as a domestic, discovers the strangled body...and is on the spot when the culprit strikes again. But no murderer is a match for Miss Marple." Margaret Rutherford; Arthur Kennedy; Muriel Pavlow; James Robertson Justice; Thorley Walters; Charles Tingwell; Conrad Phillips; Joan Hickson; Ron Howard; Stringer Davis; Ronnie Raymond; Gerald Cross; Michael Golden; Barbara Leake; Gordon Harris; Peter Butterworth; Richard Briers; Lucy Griffiths

3/27/2018 888574642389 Murder at the Gallop DVD-5 1963 ""But he was murdered, wasn't he?" Dash it all, what a frightfully un-British comment to make at the reading of the will. But that's dotty Aunt Cora for you. Then a mysterious hand offs Aunt Cora, and suddenly the old girl's observation doesn't seem quite so dotty after all. Margaret Rutherford returns as amateur detective Miss Marple in a delightful whodunit based on Agatha Christie's After the Funeral. This time she's joined by a perfect partner: the droll

Robert Morley. Together they canter along a country lane, ankle across a dance floor, spark a genteel amour - and pursue an ingenious killer who thinks a world without Miss Marple would be a far, far better place!" Margaret Rutherford; Robert Morley; Flora Robson; Charles Tingwell; Stringer Davis; Duncan Lamont; Gordon Harris; Robert Urquhart; Katya Douglas; James Villiers; Noel Howlett; Finlay Currie; Kevin Stoney

3/20/2018 888574612948 Living Single: The Complete Fourth Season DVD-9 Season four of this fan-favorite sitcom focusing on young singles who share a brownstone picks up where the third season left us hanging - as Overton (John Henton) finally puts a ring on it when Synclaire (Kim Coles) accepts his wedding proposal. While Khadijah James (Queen Latifah) struggles to keep Flavor magazine afloat, she starts a romance with a handsome doctor (Isaiah Washington). Regine (Kim Fields) goes in the opposite direction, choosing to play the field while starting a new career as a wedding coordinator. Max (Erika Alexander) becomes the newest city alderwoman in an election stunner and Kyle becomes a choir director. It all culminates in Synclaire and Overton's wedding, with a special duet performed by Kyle and Khadijah in this 3-disc, 24-episode collection. Queen Latifah; Kim Coles; Kim Fields; Erika Alexander; Terrence "T.C." Carson; John Henton

3/20/2018 888574623364 The Black Scorpion [Blu-ray] BD-50 1957 "They're big. They're bad. They scuttle along in caverns miles beneath the Earth - until an earthquake opens paths to the surface. Now, these monsters of genus Arachnida are invading our world with deadly force! With top special effects co-designed by King Kong's Willis O'Brien, The Black Scorpion is horror with a sting more lethal than the king-sized ants that overran Los Angeles' sewers in the classic Them! Can humankind survive these invincible juggernauts? That fate rests on the shoulders of Hank Scott (1950s monster-movie stalwart Richard Denning) as the creatures rip a train from its track, snatch a helicopter from the sky and, in the film's most gripping sequence, battle each other in their subterranean lair. Watch out!" Richard Denning; Mara Corday; Carlos Rivas; Mario Navarro; Carlos Muzquiz; Pascual Garcia Peña; Fanny Schiller; Pedro Galvan; Arturo Martinez

Simmons

3/13/2018 888574624095 Beyond a Reasonable Doubt [Blu-ray] BD-50 1956 After director Fritz Lang vaulted to prominence with such masterpieces of German cinema as Metropolis and M, he brought his art to Hollywood films, including Fury, Ministry of Fear, The Woman in the Window and more trenchant tales of innocents caught in a web of seeming guilt. His last U.S. movie is this intriguing film noir about a novelist (Dana Andrews) out to expose the injustices of capital punishment. Working with his fiancée's (Joan Fontaine) father, a newspaper publisher (Sidney Blackmer), he frames himself for murder, intending to produce exonerating evidence at the last moment. But the publisher suddenly dies, the evidence is lost...and that's only the first twist in a brilliantly layered plot ideally suited to Lang's talents. Dana Andrews; Joan Fontaine; Sidney Blackmer; Arthur Franz; Philip Bourneuf; Edward Binns; Shepperd Strudwick; Robin Raymond; Barbara Nichols; William Leicester; Dan Seymour; Rusty Lane; Joyce Taylor; Carleton Young; Trudy Wroe; Joe Kirk

3/13/2018 888574626051 While the City Sleeps [Blu-ray] BD-50 1956 "Ask mother," says the message scrawled in lipstick at a murder scene, written by an unidentified serial killer who preys on women. It's a sensational story - if it bleeds, it leads - and a news conglomerate offers a big promotion to any high-level company exec who solves the case. So begins the wheeling, dealing and backstabbing of the competing media hotshots as they vie to unmask the so-called Lipstick Killer. Fritz Lang (*The Big Heat*), whose early career expressionist works would strongly influence the film-noir genre, directs this stylistically understated noir that features an abundance of stardom rare for the genre: Dana Andrews, Rhonda Fleming, George Sanders, Thomas Mitchell, Vincent Price, Ida Lupino and other notables. Dana Andrews; Rhonda Fleming; George Sanders; Howard Duff; Thomas Mitchell; Vincent Price; Sally Forrest; John Drew Barrymore; James Craig; Ida Lupino; Robert Warwick; Mae Marsh; Ralph Peters

3/13/2018 888574642235 The Women DVD-9 1939 "Be careful what you say in private. It could become a movie. Some gossip overheard by Clare Boothe Luce in a nightclub powder room inspired her Broadway hit that's wittily adapted for the screen in *The Women*.

George Cukor directs an all-female cast in this catty tale of battling and bonding that paints its claws "Jungle Red" and shreds the excesses of pampered Park Avenue princesses. Joan Crawford, Rosalind Russell, Joan Fontaine, Mary Boland and Paulette Goddard are among the array of husband snatchers, snitches and lovelorn ladies. Norma Shearer is jilted Mary Haines, who ultimately learns to claw without ruining her manicure. All the glamming and slamming comes with a shimmery bauble: a fashion-show sequence in eye-popping Technicolor®." Norma Shearer; Joan Crawford; Rosalind Russell; Mary Boland; Paulette Goddard; Phyllis Povah; Joan Fontaine; Virginia Weidler; Lucile Watson; Marjorie Main; Virginia Grey; Ruth Hussey; Muriel Hutchison; Hedda Hopper; Florence Nash; Cora Witherspoon; Ann Morriss; Dennie Moore; Mary Cecil; Mary Beth Hughes

3/13/2018 888574642242 The Original Nancy Drew Movie Mystery Collection DVD-9 In 1930, teen detective Nancy Drew debuted in print, captivating girls everywhere. In 1938, she came to the screen in the first of four films with Bonita Granville, whose Nancy is "brainy, feisty, resourceful and full of energy" (Leonard Maltin's *Classic Movie Guide*) - in short, exactly right. Sleuth with Nancy as she seeks a missing heiress (*Nancy Drew, Detective*), investigates a poisoning (*Nancy Drew - Reporter*), clears a family friend accused of murder (*Nancy Drew - Trouble Shooter*) and faces death in a secret tunnel (*Nancy Drew and the Hidden Staircase*). Whether you're revisiting Nancy or first met her in 2007's *Nancy Drew* movie, we invite you to enjoy mystery and fun that moves like a speedy blue roadster!

3/13/2018 888574642259 Possessed DVD-9 1947 "She loves him when he goes away for months. She loves him when he refuses to marry her. But when callow David Sutton chooses to marry someone else, Louise Howell's love for him takes a darker turn. Give her a gun and she'll love him to death. Joan Crawford reteams with producer Jerry Wald of her Academy Award®-winning* *Mildred Pierce* and claims a 1947 Best Actress Oscar® nomination for her portrayal of tempestuous, mentally unstable Louise. "'I love you' is such an inadequate way of saying I love you," Louise says. "It doesn't quite describe how much it hurts sometimes." With Crawford at her film-noir-queen best, be assured it hurts so good." Joan Crawford; Van Heflin; Raymond Massey; Geraldine Brooks; Stanley Ridges; John Ridgely; Moroni Olsen; Erskine Sanford; Peter Miles; Jakob Gimpel; Isabel Withers; Lisa Golm; Douglas Kennedy; Monte Blue; Don McGuire; Rory Mallinson; Clifton Young; Griff Barnett

3/13/2018 888574642266 The Three Musketeers DVD-9 1948 "To the cry of "all for one and one for all" comes a version of the Dumas classic that's fun for all - a rousing, swashbuckling adaptation that was Gene Kelly's favorite among his nonmusical movies. Kelly plays country lad D'Artagnan, who comes to Paris with heady ambition and duels his way into the ranks of King Louis XIII's musketeers. He swashes and buckles with brio,

bringing to action scenes the virile athleticism that set him apart as a dancer in movie musicals. A top cast - Vincent Price as unctuous Cardinal Richelieu, Lana Turner as villainous Lady de Winter, June Allyson as Constance, Van Heflin as Athos, Robert Coote as Aramis, Gig Young as Porthos and Frank Morgan and Angela Lansbury as King Louis and Queen Anne - joins Kelly in this exuberant tale." Lana Turner; Gene Kelly; June Allyson; Van Heflin; Angela Lansbury; Frank Morgan; Vincent Price; Keenan Wynn; John Sutton; Gig Young; Robert Coote; Reginald Owen; Ian Keith; Patricia Medina; Richard Wyler

3/13/2018 888574642396 The New Adventures of Old Christine: The Complete First Season DVD-9 "Single working mom Christine Campbell has just learned that her ex is dating a much younger woman with the same first name. To avoid any confusion, the new girlfriend is dubbed New Christine, which leaves her with the un-fortunate nickname Old Christine. Julia Louis-Dreyfus' hilarious and insightful performance in the title role won fans and earned her the 2006 Emmy® as Outstanding Lead Actress in a Comedy Series. Christine struggles to hold it together as she adjusts to her new nickname, confronts the meanie moms at her son's private school, jumps back in the dating pool - and gets laughs every misstep of the way." Julia Louis-Dreyfus; Clark Gregg; Hamish Linklater; Trevor Gagnon; Emily Rutherford; Tricia O'Kelley; Alex Kapp Horner

3/13/2018 888574642402 The Oblongs: The Complete Series DVD-9 "Okay, we told you they're sick, and we're not talking about a hospital show. The Oblongs...isn't for everyone. Might be peachy for you though. Welcome to the toxic, twisted world of the Oblongs, a perversely funny, satirical animated series inspired by characters in Angus Oblong's book Creepy Susie and a regular denizen of Cartoon Network's [adult swim]™. With laser-sharp wit, maladjusted matriarch Pickles Oblong, her irrepressibly sunny husband Bob and their brood of oddities Biff, Chip, Milo and Beth gleefully cope with their shortcomings while dealing with indignities of being "different" in a "normal" world. The Oblongs are not so much dysfunctional as slightly nonfunctional. Living next to a polluted swamp has left them with the occasional missing limb or mysterious growth, but through it all, this close-knit family sticks together. Sometimes literally."

3/6/2018 888574623371 Murder in the Big House DVD-5 1942 When a condemned killer gets fried ahead of schedule thanks to a freak bolt of lightning, a trio of intrepid reporters want to know who's cheating the chair. Crime reporter Scoop Conner's suspicions are raised when he witnesses high society shyster Bill Burgen (Douglas Wood) promising condemned killer Dapper Dan Malloy (Michael Ames) a reprieve from the governor after Dapper Dan threatens to name names. After Scoop helps Dan get wise, he takes a swan dive into a bottle, leaving news gal Gladys Wayne (Faye Emerson) to grab new guy Bert Bell (Van Johnson, in his first leading role) and head to the pen to cover Dapper Dan's execution. But a lightning strike on death row saves the state the trouble, and all three reporters smell something rotten at work in the Big House. After Van Johnson broke out as a big star, Warner Bros. capitalized on his new celebrity and re-released the picture as Born for Trouble. Van Johnson; Faye Emerson; George Meeker; Joseph Crehan; Ruth Ford; Douglas Wood; William Gould; Fred Kelsey; Dick Rich; Roland Drew; Frank Wilcox; Tod Andrews; Jack Mower; Creighton Hale; Patrick McVey; Ray Montgomery

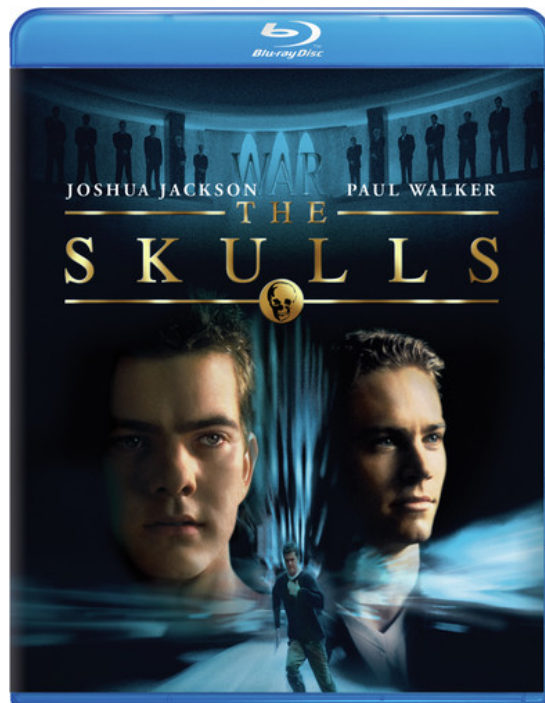

3/6/2018 888574623395 Danger Signal DVD-5 1945 One of the greatest opening scenes in all of film noir sets the stage for this sublime suspense that rises above its B-movie limitations thanks to the skills of its ensemble, story and director. As a woman frantically knocks on a flophouse door, a man coolly removes a wedding ring from the hand of a woman, empties her purse and jumps out the window. Zachary Scott, in all his silky, seductive glory, plays the man, wannabe writer Ronnie Mason. Ronnie possesses a preternatural sense of what woman want, and uses it to fulfill his narcissistic pleasures. Faye Emerson plays the next stop on his trail of destruction, smart stenographer Hilda Fenchurch. Fate takes a turn when Hilda's younger sister (Mona Freeman) returns home and Mason takes a fancy to her. Now Mason is the one hunted as Hilda discovers how far

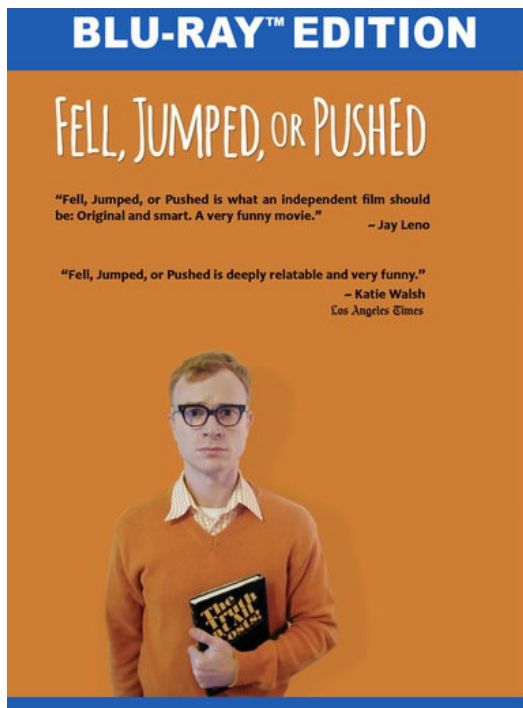

she will go to save her sister. Directed by Robert Florey (The Beast with Five Fingers). Faye Emerson; Zachary Scott; Richard Erdman; Rosemary DeCamp; Bruce Bennett; Mona Freeman; John Ridgely; Mary Servoss; Joyce Compton; Virginia Sale

3/6/2018 888574623401 Hotel Berlin DVD-5 1945 A fugitive from the resistance hides in the cellar. Nazi High Commanders conspire to bring their poison to America. A hotel "hostess" entertains majors and generals, willing to do anything for a new pair of shoes. A general faces his doom, fallout from a failed attempt to assassinate the Führer. His mistress, a famous actress, harbors a hostage as a bargaining chip - but for who? A scientist struggles to find his soul, lost somewhere in his research at Dachau. A boy bellhop braves death at the hands of the SS to spy for the resistance in the name of his father. These are just some of the suspects gathered within the confines of the Hotel Berlin during the closing days of World War Two. Based on a novel by Vicki Baum, the film is reminiscent of her earlier smash hit Grand Hotel and serves up a similar, striking ensemble drama, only this time the stakes are far more deadly and desperate. With Peter Lorre, Faye Emerson and Raymond Massey. Faye Emerson; Helmut Dantine; Raymond Massey; Andrea King; Peter Lorre; Alan Hale; George Coulouris; Henry Daniell; Peter Whitney; Helen Thimig; Steven Geray; Kurt Kreuger; Erwin Kalsar
