When Todd (Mel Rodriguez) suffers from major remorse, Tandy tries to lift his best friend's spirits - even if it requires a few white lies. And after finding a mysterious note left by Melissa (January Jones) that says "Goodbye," the gang sets off to go look for her. This season also reveals the first moments of the deadly virus outbreak, and the gang throws a huge celebration canvassing every major holiday. And as the season ends, Tandy and Gail (Mary Steenburgen) face off in a major disagreement on which the whole group must weigh in, and Carol is forced to choose a side.

5/22/2018 024543315346 Fresh Off The Boat: The Complete Second Season DVD-9 2018 Set in the mid-1990s, and inspired by a true story, FRESH OFF THE BOAT stars Hudson Yang as 11-year-old, hip-hop-loving Eddie Huang, who, with his family, is adjusting to a new life in suburban Orlando. Faced with new schools, new friends, new neighbors - and new traditions - the Huangs stay true to their family values as they pursue the American Dream. Dad Louis (Randall Park) moved his family from Chinatown in Washington, D.C., and turned the once-struggling Cattleman's Ranch into a successful steakhouse, fully equipped with a mechanical bull. Mom Jessica (Constance Wu) is a real estate agent, yet still finds time to bond with the neighbor over cocktails and Stephen King novels. Meanwhile, Eddie sometimes defies his mother's old-school parenting, but realizes she's got nothing but love for him and his brothers Emery (Forrest Wheeler) and Evan (Ian Chen).

Dad Louis (Randall Park) has turned the once-struggling Cattleman's Ranch into a successful steakhouse. Mom Jessica (Constance Wu) keeps her boys in line yet still finds time to partake in neighborhood gossip. And Grandma Huang (Lucille Soong) may be confined to her wheelchair, but she never misses a beat. Eddie and his posse are navigating middle-school angst. 5/22/2018 024543315353 Last Man On Earth: The Complete Second Season DVD-9 2018 In this Emmy®-nominated comedy, a deadly virus has swept the planet and Tandy Miller (Forte) - formerly known as Phil - has searched the country for other survivors, only to find that he is almost certainly the last living being on the face of the Earth. Slowly, other survivors find their way to Tandy: his eventual wife, Carol (Kristen Schaal), a gratingly optimistic woman with a goal of repopulating the Earth; Melissa (January Jones), who suffers no fools; the lovable and cheerful Todd (Mel Rodriguez); charming Southerner and wino Gail (Mary Steenburgen); Aussie Erica (Cleopatra Coleman); and, finally, a strapping, second Phil Miller (Boris Kodjoe). In Season Two, the group relocates to Malibu where Mike Miller (Jason Sudeikis), Tandy's astronaut brother, finally finds them after spending years alone in outer space. Then, Malibu appears to be under siege as unknown, seemingly hostile survivors approach the beach.

5/22/2018 810162033842 Range 15 DVD-5 2018 After a night of debauchery, veteran Mat Best (*Not A War Story*) wakes up to an interrogation by his lawyer (William Shatner, *Star Trek*). While he and his four military buddies are in prison, they learn that a Zombie apocalypse arrived while they were passed out. Armed only with billy clubs and their military experience, they stage an all-out war on the Zombies and, by accident, may have found the cure along the way. Their boss Colonel Holloway (Keith David, *The Nice Guys*) informs them that the only place they can synthesize the cure is Range 15, an isolated facility some 300 miles away, through a Zombie-infested desert. Colonel Holloway sends narcissist super-soldier Gene Vandenhame (Ross Patterson, *Not a War Story*) to lead the mission, and Pilot Grigsby (Sean Astin, *The Lord of the Rings*) to help as the Zombies (Danny Trejo, *Machete*) get faster every hour. 5/22/2018 810162033859 Not A War Story DVD-5 2018 Hollywood collides with veterans who were tired of the typical PTSD and valor-portrayed movies to make an original dark comedy zombie apocalypse film, entitled *Range 15*, all on their own. With cameos from legends such as William Shatner (*Star Trek*), Sean Astin (*The Lord of the Rings*), Danny Trejo (*Machete*), Keith David (*The Nice Guys*) and more, and directed by Emmy-nominated filmmaker Tim O'Donnell, follow six military friends and two Medal of Honor recipients as they create an amazing community that rallied behind the production and release of *Range 15*.
