Saved by the wizardry of Zaltar (Peter O'Toole) and the Omegahedron, their daughter Kara comes of age as a Kryptonian when a disaster whisks the Omegahedron to her cousin's adoptive planet, Earth. 07/31/2018 888574645366 Village Of The Damned [Blu-ray] BD-25 1960 From its seemingly placid opening, Village of the Damned keeps piling one eerie and disquieting detail upon another, creating the rarest of achievements -- an utterly believable masterpiece of horror! Starring the ever-imperturbable George Sanders (who does not remain that way for long), this classic, havoc-filled take of mind reading and hypnotism will have you complete hypnotized and shaken to the core! The monsters of this film are a band of innocent-faced, platinum-blond children, all of whom are born in a small, peaceful village on the same day. Their rapid physical development is matched by their fast-growing mental powers, and with calm, bloodcurdling efficiency, they are soon terrorizing the tiny hamlet. They Can read the thoughts that are forming in your mind which makes them an altogether unstoppable enemy. Capped by a mental

tug of war you will never forget, Village of the Damned is an extremely compelling, startling picture! (New York Post).

07/24/2018 888574662318 Ready Player One [3D Blu-ray + Blu-ray + Digital Combo Pack] BD-50 2018 From filmmaker Steven Spielberg comes the science fiction action adventure Ready Player One, based on Ernest Clines bestseller of the same name. The film is set in 2045, with the world on the brink of chaos and collapse. But the people have found salvation in the OASIS, an expansive virtual reality universe created by the brilliant and eccentric James Halliday (Mark Rylance). When Halliday dies, he leaves his immense fortune to the first person to find a digital Easter egg he has hidden somewhere in the OASIS, sparking a contest that grips the entire world. When an unlikely young hero named Wade Watts (Tye Sheridan) decides to join the contest, he is hurled into a breakneck, reality-bending treasure hunt through a fantastical universe of mystery, discovery and danger

07/24/2018 888574655761 Wreck of the Mary Deare, The DVD-9 1959 The freighter Mary Deare is adrift in stormy seas. Her bulkhead is leaking, her captain is dead, and the crew has abandoned ship -- all except for one man. That man is exhausted first officer Gideon Patch, who has taken command. Appearances indicate hes a madman. But Patch isnt a man who relies on appearances. The Wreck of the Mary Deare is part seafaring adventure, part mystery, part courtroom drama and, with screen titans Gary Cooper and Charlton Heston onboard, all heroic. Michael Anderson (Around the World in 80 Days, Logans Run) directs from a screenplay by famed spy novelist Eric Ambler. And Richard Harris, in his first year of film acting, gives notice of his talent with an intense portrayal of a seaman who may be part of a duplicitous agenda. Were in treacherous (and exciting) waters -- all ahead, full steam!

07/24/2018 888574655815 Uncertain Glory DVD-9 1944 In one of the best performances of his career, Errol Flynn (The Charge of the Light Brigade) plays an escaped criminal whose fate is changed not by the detective who has apprehended him but by the Nazis who have taken hostages in war-torn France. Flynn plays Jean Picard, a convicted criminal who escapes the guillotine when an air raid strikes Paris. On the run in Bordeaux, he is pursued and captured by determined detective Marcel Bonet (Oscar winner* Paul Lukas), who has been tracking him for many years. But when the train back to Paris is derailed by saboteurs and the Nazis retaliate by taking innocent hostages, Picard makes Bonet a most unusual offer: Since he is going to die anyway, let him surrender as the saboteur so that the Nazis will free the hostages. Bonet agrees, setting in a motion a surprising turn of events.

07/24/2018 888574658151 Flame and the Arrow, The DVD-9 1950 Fans of screen swashbuckling found a successor to the legendary Douglas Fairbanks Sr. and Errol Flynn when Burt Lancaster brought a unique blend of exuberance and swagger to this exciting Robin Hood-like yarn. In medieval Lombardy, wily Dardo the Arrow (Lancaster) leads the peasantry in revolt against a vile Hessian warlord (Frank Allenby) and wins the hand of a lady (Virginia Mayo). Lancasters former circus partner Nick Cravat plays Dardos comical sidekick. Amid the Technicolor array of mammoth sets, elaborate costumes and vivid pageantry, the pair puts on a rollicking display of acrobatic roughhousing. They leave earthbound foes looking like 90-pound weaklings -- and will leave you breathlessly dazzled.

07/24/2018 888574658182 Northern Pursuit DVD-9 1943 The worlds most famous swashbuckler, Errol Flynn, dons a Canadian police uniform in this slickly done drama (Leonard Maltins Movie and Video Guide) also starring Julie Bishop and Helmut Dantine. Flynn (The Adventures of Robin Hood) is Steve Wagner, a Canadian Mountie of German descent. When Nazis sneak into Canada and all but their leader are killed in an avalanche, Steve rescues him and, with their German background in common, attempts to befriend him. The Nazi is subsequently arrested, but later breaks out of jail, taking several fellow prisoners with him. Their diabolical plan: to bomb the canal that binds Canada and England. But Steve and the Canadian police have a plan of their own -- a brilliant strategy to thwart the Nazi scheme.

07/24/2018 888574690588 Edge of Darkness DVD-9 1943 In 1930, director Lewis Milestone

won an Academy Award * for his eloquent anti-war masterpiece, All Quiet on the Western Front. But with Edge of Darkness, made in 1943 during the dark days of the German blitzkrieg, Milestone displays no such pacifist sentiments. Indeed, this remarkable drama, set in a small Norwegian village, pays tribute to the heroic spirit of common people taking up arms against the Nazi invaders. Errol Flynn delivers a fine, understated performance as a common fisherman who leads the towns resistance efforts. Ann Sheridans strong character reflects the strength of all womankind. And featured in the superb ensemble cast are Walter Huston, Ruth Gordon and Judith Anderson.

07/24/2018 888574651657 Knots Landing: The Complete First Season DVD-9 Welcome to Knots Landing, where Gary Ewing -- the troubled middle son of the powerful Ewing clan of Dallas -- decides to start life anew. And what could be more reassuring, more nurturing, than an upscale California cul-de-sac in the burbs, complete with lovely homes and happy families? But it doesnt take long for Gary and his down home wife Valene to discover that Big D doesnt have a monopoly on adultery, deceit, cunning and greed. A spinoff of Dallas, Knots Landing became its own phenomenon, running for 14 gloriously passionate seasons of broken promises, broken hearts and broken marriages. Meet the neighbors in all 13 Season One episodes in this 5-disc set, where the dirty tricks and double-dealing would make J.R. proud.

07/03/18 886470287840 Beat Girl DVD-5 1960 Now considered to be a cult classic, Beat Girl, released in 1960 is a story of teenage rebellion. It is a powerful account of the conflict that arises when respectable architect Paul (David Farrar) brings home his new young French wife Nicole (Noelle Adam) and introduces her to his daughter Jenny (Gillian Hills). Paul has been away for months and Jenny's resentment is obvious; she has fallen in with a bad crowd that is just wild for kicks and soon discovers that Nichole has a secret past. The film introduced Adam Faith to the big screen with music composed by John Barry. Much of the action takes place in coffee bars, music dens and a sleazy strip club, which so evocatively captures the atmosphere of London's Soho in the late 50s. David Farrar; Christopher Lee; Gillian Hills; Noelle Adam Drama

Charlton Heston; Michelle Mercier; George Eastman Drama

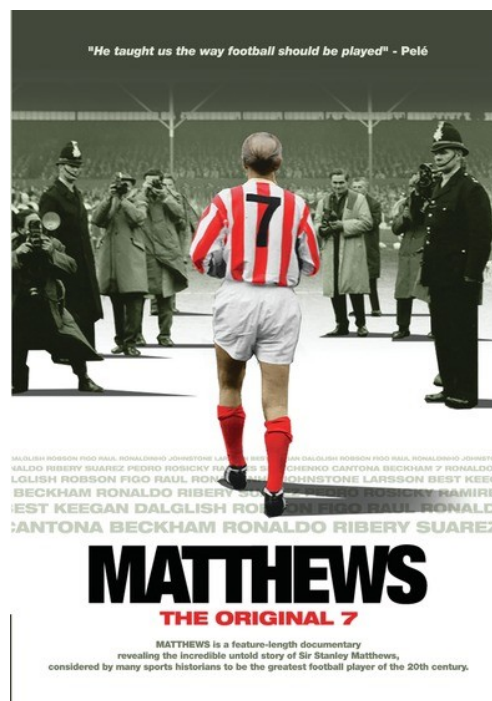

07/03/18 883629735078 Chaos DVD-5 1999 A butterfly flutters its fragile wings in Texas and the seemingly imperceptible turbulence sets in motion a cascade of effects that culminates in a typhoon in Indonesia. It seems unreal. But the realisation of the butterfly effect as it has been called, is one of the astonishing results of the new science of Chaos. Traditionally science has been focused on seeking out and defining the predictable laws that govern all our lives. Chaos is about using the immense number crunching power of super computers to seek out the patterns hidden away in what up till now has been totally unpredictable. This astounding, award-winning documentary, first broadcast in 1990, lays bare the mystery of this remarkable new science Documentary

07/03/18 886470218530 The Big Combo DVD-5 1955 The Big Combo is a gripping gangster movie. Cornel Wilde is the tenacious cop determined to bring down a ruthless and sadistic mobster played by Richard Conte. Often overlooked, this movie is a fine example of the evocative film noir style that became so popular during the 40's and 50's. John Alton's stylistic photography creates an atmosphere of harsh gritty reality that draws the viewer into a sordid underworld of crime, greed and murder. Cornel Wilde; Richard Conte; Brian Donlevy; Jean Wallace Crime drama

07/03/18 883629725604 The Dambusters Raid DVD-5 2001 On May 17th. 1943 the Royal Air Force carried out one of the most remarkable raids ever undertaken by any aircrew. On that night a squadron of Lancaster heavy bombers flew at low level across a blacked out Europe, towards the four great dams that delivered water and power to the German industrial heartland of the Ruhr. The aircrews had been trained for months to carry out this most daring and courageous of raids. Against a storm of anti-aircraft fire, they calmly flew their bombers in across the reservoirs, holding a specific height and speed, to deliver their strange cylindrical bouncing bombs, to explode against the face of the dams, and blow great holes in them. The factories of the Ruhr were crippled. 1300 German civilians died, and 53 aircrew were lost. For the very first time this programme explores both sides of a raid that has become an epic in the history of World War 2. Documentary

BLU-RAY™ EDITION

LEWIS MILESTONE'S
THE GARDEN OF EDEN

07/24/18 **810162033514** **The Garden of Eden** [Blu-ray] BD-50 1928 "In celebration of its 16th year of "Bringing Film History to New Audience," Flicker Alley - the highly-esteemed publisher of rare and unique cinematic classics - is proud to present the long-awaited re-release of its first publication, *The Garden of Eden*. It is now available in a previously unreleased M.O.D. (Manufactured-On-Demand) Blu-ray edition. This thoroughly entertaining romantic comedy is an important film for both its beguiling star, Corinne Griffith, and talented director, Lewis Milestone. Digitally mastered from the best surviving elements, this silent classic is paired with a musical score arranged and performed by Robert Israel. Aspiring vocalist Toni LeBrun (Corinne Griffith) leaves her family's bakery to become an opera singer. Unaware that she has been contracted to perform as a chorus dancer at the "Palais de Paris" - a cabaret run by the delightfully menacing Madame Bauer (Maude George) - Toni escapes to the Hotel Eden in Monte Carlo with the cabaret's seamstress, Rosa (Louise Dresser). After warding off the wily Baron Henri D'Avril (Lowell Sherman), Toni poses as the daughter of a baroness, attracting the attention of suitor Richard Dupont (Charles Ray). When she also catches the eye of Richard's uncle, Colonel Dupont (Edward Martindel), Toni finds herself entangled in a romantic adventure, and in danger of being exposed before Richard asks for her hand.
