"The Thing From Another World" Now on Blu-ray
from Warner!

3/2019 888574768720 The Thing From Another World [Blu-ray] 1951 Arctic researchers discover a huge, frozen spaceling inside a crash-landed UFO, then fight for their lives after the murderous being (a pre-Gunsmoke James Arness) emerges from icy captivity. Will other creatures soon follow? The famed final words of this film are both warning and answer: Keep watching the skies! A snappy ensemble. An eerie theremin-infused Dimitri Tiomkin score. Rising suspense. Crisp Christian Nyby direction. All merge in an edgy classic produced by Howard Hawks (Bringing Up Baby, Rio Bravo) and filled with Hawksian trademarks of rapid-fire dialogue and of people united by do-or-die stress. Keep watching the skies and the screen. Dont miss a moment of one of the best sci-fi thrillers of the 50s (John Stanley, Creature Features).

And also from Warner- these super hits!

3/26/2019 888574771607 Aquaman (3D Blu-ray + Blu-ray + Digital Combo Pack) 2018 An action-packed adventure that spans the vast, visually breathtaking underwater world of the seven seas, Aquaman reveals the origin story of half-human, half-Atlantean Arthur Curry and takes him on the journey of his lifetime one that will not only force him to face who he really is, but to discover if he is worthy of who he was born to be a king.

3/11/2019 888574771614 Fantastic Beasts: The Crimes of Grindelwald (3D Blu-ray + Blu-ray + Digital Combo Pack) 2018 From the imagination of Wizarding World creator J.K. Rowling comes the Fantastic Beasts film series, magical adventures set before the time of Harry Potter. At the end of the first film, the powerful Dark wizard Gellert Grindelwald (Johnny Depp) was captured by MACUSA (Magical Congress of the United States of America), with the help of Newt Scamander (Eddie Redmayne). But, making good on his threat, Grindelwald escaped custody and has set about gathering followers, most

unsuspecting of his true agenda: to raise pure-blood wizards up to rule over all non-magical beings. In an effort to thwart Grindelwalds plans, Albus Dumbledore (Jude Law) enlists his former student Newt Scamander, who agrees to help, unaware of the dangers that lie ahead. Lines are drawn as love and loyalty are tested, even among the truest friends and family, in an increasingly divided wizarding world.

2/26/2019 888574712624 Wild Rovers [Blu-ray] 1971 Lifelong ranch hand Ross Bodine decides cowpunching is no kind of life. So he and a raw cowboy half his age rob a bank to get the cash each needs to improve his lot. An indignant posse is soon in pursuit. Filmmaker Blake Edwards made his name with *The Pink Panther* and other comedies, but he also showed great skill in other genres with the thriller *Experiment in Terror*, the drama *Days of Wine and Roses* and this nuanced paean to the West. In performances perfectly matching Edwards balance of rowdy comedy and hardscrabble period realism, William Holden and Ryan O'Neal play the fugitive saddlebums, with Holden drawing special praise. As he grows older, he grows better like a great old wine. All the reverberations from the previous roles are beginning to sound (Roger Ebert, *Chicago Sun-Times*).

2/26/2019 883929675258 Lady in the Lake 1946 Robert Montgomery stars in and directs this snappy adaptation of Raymond Chandler's hard-boiled detective mystery. Montgomery portrays Marlowe, private eye. As director, he also films private eyes, using a subjective camera presenting the action from Marlowe's point of view. What Marlowe sees, we see. When he gets slugged, we slip into blackness. The case begins when Marlowe sets out to find the missing wife of a publishing magnate. Several smack-arounds, one dead gigolo, a few angry cops, a booze-soaked frame-up and one dame in the lake later, Marlowe finds the killer and finds he's looking at the business end of a gun.

2/26/2019 883929675302 Chamber of Horrors/The Brides of Fu Manchu A Chamber of Horrors! Special in-film devices called The Fear Flasher and The Horror Horn cue viewers to the terror in this frightfest. A condemned man (Patrick O'Neal) chops off his manacled hand (Fear Flasher! Horror Horn!) to escape, outfits his stump with tools designed to chop, rip, and skewer, and goes on a death spree. Brace yourself for a great neglected shocker (Michael Weldon, *The Psychotronic Encyclopedia of Film*). A harem of horrors! It's a devil's bargain in *The Brides of Fu Manchu* when Fu Manchu kidnaps the daughters of the world's leading scientists and issues his demand: build him a death-ray weapon or watch their sweet lovelies die. Hammer Films horror icon Christopher Lee portrays the depraved mastermind of terror.

2/26/2019 883929670697 What I Like About You: The Complete Fourth Season The fourth season of this upbeat comedy opens with Holly (Amanda Bynes) in Florida, stranded after her cramped back-seat car ride. The new couple must now learn to work through the challenges of a young, exciting, blossoming relationship as they juggle romance with real life. Of course, they still hang out with best friends Gary Thorpe (Wesley Jonathan) and Tina Haven (Allison Munn). Meanwhile, Val (Jennie Garth) discovers that her marriage to Todd (Luke Perry) was only a dream. She actually married her former-boss-turned-firefighter Vic (Dan Cortese). Val wants out of the marriage, but Vic has other ideas. He believes their meeting was destiny and wants to make it work. He's determined to wear Val down with charm, kindness and humor...and, of course, his amazing biceps don't hurt.

2/26/2019 883929675531 The Jazz Singer 1927 When *The Jazz Singer* was released in theaters, the future of Hollywood changed. For the tradition-bound mob bosses of Manhattans Chinatown, there are age-old ways of running things. And now theres police captain Stanley Whites way. Mickey Rourke portrays White, a war veteran who has a Vietnam-sized chip on his shoulder when dealing with an emerging blood feud in Chinatown. John Lone plays the crime lord standing in the line of fire of Whites relentless campaign. In Voices in the Dark, series creator J. Michael Straczynski reunites with stars Bruce Boxleitner, Tracy Scoggins and Peter Woodward in two richly imagined stories set after the events of the original series. In one, a supernatural force penetrates Babylon 5 on a mission, and its success or failure will devastate or redeem whole planets. In the other, Sheridan must make a decision to take or save one life...a decision that will result in either the salvation, or the destruction, of Earth herself.

2/12/2019 888574774400 Starsky & Hutch [Blu-ray] 2004 Here comes the fuzz! Starsky takes the wheel, Hutch rides shotgun, and comedy runs wild in this hilarious twist on the landmark buddy-cop TV show. Ben Stiller and Owen Wilson bring a playful chemistry to the roles of undercover detectives Starsky and Hutch. Todd Phillips (The Hangover trilogy) directs this 70s groove in which our guys are stripped of their badges, duped by a drug kingpin (Vince Vaughn) and totally ripped off in a disco contest. So, yeah, theyve got some scores to settle. Snoop Dogg is in fly funkadelic mode as urban coolster Huggy Bear. And Juliette Lewis and others make for nonstop fun. If inducing laughter is a crime, theyre all guilty as charged!
