Willie Nelson Stars in "Waiting for the Miracle to
Come"

Set in a magical and timeless world reminiscent of an old photograph, *WAITING FOR THE MIRACLE TO COME* is the story of how Adeline Winter (Lowe), a trapeze artist grieving the death of her father embarks on a journey to find "the Beautiful Place" in Ransom, California. The Beautiful Place Museum is owned and run by Dixie and Jimmy Riggs (Rampling and Nelson). The Riggs have waited for decades at The Beautiful Place, hoping that the daughter they gave up for adoption would come looking for them. Both Nelson and Rampling capture the heartache of loss and the daring of hope while Lowe's quietly powerful performance pulls viewers along on her pilgrimage.

"Minute Bodies" from Icarus Films

About Icarus: Icarus Films is a leading distributor of independent films. Since 1978, the films in our collection have addressed areas of political, social and cultural concern.

6/4/2019 **854565002777 Minute Bodies [Blu-ray]** 2019 "This meditative, immersive film from Stuart A. Staples (lead singer of Tindersticks) is a tribute to the astonishing work and achievements of naturalist, inventor and pioneering filmmaker F. Percy Smith. Smith worked in the early years of the 20th century, developing various cinematographic and micro-photographic techniques to capture nature's secrets in action. MINUTE BODIES is an interpretive edit that combines Smith's original footage with a new contemporary score to create a hypnotic, alien yet familiar dreamscape that connects us to the sense of wonder Smith must have felt as he peered through his own lens and saw these microscopic worlds for the first time. Film looks at the International Issue of Women's Rights

From Emmy Award Winning Producer Deborah Wallace (Gasland, Blood on the Mountain [available on Netflix])

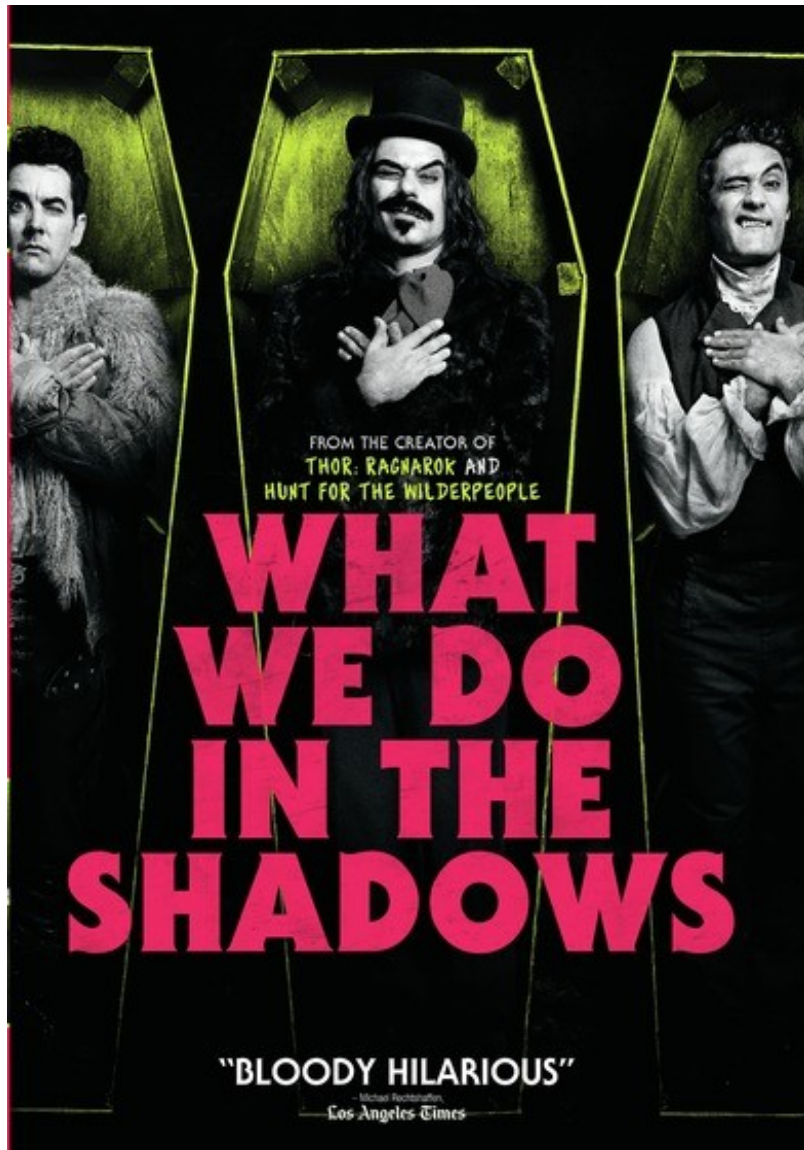

A CATALYST FOR CHANGE - The filmmakers have created an outreach campaign, so that the film can be used as a tool to open conversations with young women and their families across India about what it means for girls to make healthy choices for themselves.

6/4/2019 829567130421 Brave Girls 2019 For Karishma, Apsana and Samira, going back to school to complete their secondary education represented a seismic shift in worldview and a reappraisal of what their lives could become. But as final exams approached, their families began preparations for their weddings. Immediately, they were forced to choose between their evolving dreams and their obligations to their community. Apsana broke her arranged engagement the day before her wedding to continue her education; Karishma made an unthinkable choice by running away and marrying a forbidden love; Samira accepted her fate

and married as was expected of her, leaving her family behind. These stories combined show the complexity that emerges on the path to self-determination within a conservative town in Gujarat, India. At once inspiring and frustrating, BRAVE GIRLS neatly captures the courage of young women striving for independence.
