Meet George Jetson! "Jetsons" on Blu-ray from
Warner!

9/10/2019 883929692491 The Jetsons: The Complete Original Series [Blu-ray] 2019
Meet George Jetson...Jane, his wife... daughter Judy...his boy, Elroy... The catchy theme tune for The Jetsons ideally captures the lighthearted essence of the show, a futuristic counterpoint to The Flintstones that reflected the space-age optimism of the times. The Jetsons were the very first family, animated or not, to have a big-screen home entertainment system decades before it became a reality. They also had flying cars, floating cities and androids, all commonplace scenery in today's most popular sci-fi blockbusters. Now this beloved series teletransports onto Blu-ray, all 24 hilarious Season One episodes plus soaring extras!

8/27/2019 883929692361 V: The Original Miniseries [Blu-ray] 1983 Fifty spaceships, each three miles across, hover ominously above Earth's major cities. The Visitors that emerge are humanlike in appearance and extend the hand of friendship. Our planet's resources are just what these aliens need to survive. And for its future survival, unsuspecting humankind will need...a miracle! Kenneth Johnson's science-fiction spectacular mixes dynamic special effects with cliffhanger thrills. As fascist rule enslaves the globe, freedom fighters battle to save our species. Marc Singer heads an epic-sized cast of human defenders and -- behind sleek uniforms and benevolent behavior -- reptilian invaders. For unparalleled extraterrestrial excitement, the invaders of V are unstoppable.
