12/17/2019 043396560178 Look Who's Talking: 30th Anniversary (1989) 1989 If you've always wanted to know what a baby thinks of the world around him, you finally have your chance. With Bruce Willis supplying the voice of Mikey's thoughts, this is one baby who says exactly what's on his mind. Mollie (Kirstie Alley) is a single working mother who's out to find the perfect father for her child. Her baby, Mikey, prefers James (John Travolta), a cab driver turned babysitter who has what it takes to make them both happy. But Mollie won't even consider James. It's going to take all the tricks a baby can think of to bring them together before it's too late. Amy Heckerling (Fast Times at Ridgemont High) wrote and directed this baby's-eye-view comedy. John Travolta;Kirstie Alley;Bruce Willis

12/17/2019 043396563636 The Cable Guy 1996 Jim Carrey is Chip Douglas, cable installer. Raised on television sitcoms, he wants life to look just like My Three Sons. And when he meets single guy Steven Kovacs (Matthew Broderick), he sees his chance for some serious male bonding. But Chip's idea of friendship - which includes physical assault, a game of 'Porno Password' and a medieval joust - may be hazardous to Steven's health. In Chip's own immortal words, "I can be your best friend...or your worst enemy." Directed by Ben Stiller (Tropic Thunder, Zoolander), and co-starring Leslie Mann, Jack Black, and Owen Wilson. 12/17/2019 043396563650 Heist 2001 A jewel thief's nephew is sent along on a heist to ensure a longtime partner in crime stays honest about the division of the loot. Gene Hackman;Danny DeVito;Delroy Lindo

12/17/2019 043396564619 Remains of the Day, The 1993 Oscar-winners Anthony Hopkins (The Silence of the Lambs) and Emma Thompson (Howards End) reunite with the acclaimed Merchant Ivory filmmaking team for this extraordinary and moving story of blind devotion and repressed love. Hopkins stars as Stevens, the perfect English butler - an ideal carried by him to fanatical lengths - as he serves his master, Lord Darlington (James Fox). Darlington, like many other members of the British establishment in the 1930s, is duped by the Nazis into trying to establish a rapport between themselves and the British government. Thompson stars as the estate's housekeeper, a high-spirited, strong-minded young woman who watches the goings-on upstairs with horror. Despite her apprehensions, she and Stevens gradually fall in love, though neither will admit it, and only give vent to their charged feelings via fierce arguments. Marvelously acted by a supporting cast that includes Christopher Reeve and Hugh Grant. Anthony Hopkins;Emma Thompson;James Fox;Christopher Reeve

12/17/2019 043396565319 Where's my Roy Cohn? 2019 Roy Cohn personified the dark arts of 20th-century American politics, turning empty vessels into dangerous demagogues. Where's My Roy Cohn? unearths the origins of the seditious right wing's ascent, revealing how a deeply troubled master manipulator shaped our current political world. This shocking film exposes Cohn's malign influence and contextualizes him as a modern Machiavelli, tracing his rise to national prominence—first as prosecutor of the Rosenbergs, then as handmaiden to Joseph McCarthy. After these twin disgraces, Cohn re-emerges as a New York power broker, mafia consigliere, white-collar criminal, and, eventually, the mentor of Trump. Roy Cohn

A successful entrepreneur living in Southern California, Scott Rieckens had built a dream life: a happy marriage, a two-year-old daughter, a membership to a boat club, and a BMW in the driveway. But underneath the surface, Scott was creatively stifled, depressed, and overworked trying to help pay for his family's beach-town lifestyle. Then one day, Scott listened to a podcast interview that changed everything. Three months later, he had quit his job, convinced his family to leave their home, and cut their expenses in half. Follow Scott and his family as they devote everything to FIRE (financial independence, retire early), a subculture obsessed with maximizing wealth and happiness. Filled with inspiring stories and the influencers who make up the FIRE movement, *Playing with FIRE* is one family's journey to acquire the one thing that money can't buy: a simpler and happier life. 11/19/2019 810017888030 The Field Afar: The Life of Fr. Vincent Capodanno 2019 Fr. Capodanno, a native of Staten Island, New York was a Catholic priest, who received the posthumous Medal of Honor for his valor as a chaplain to the Marine Corps during the Vietnam war. Among his men, he earned the nickname, the Grunt Padre, because of his ministry to the grunts (nickname for members of the infantry). Veterans recall how Fr. Capodanno was a constant companion to the Marines - living, eating and sleeping in the same rough conditions as the men he served. What his Marines remember most about this remarkable priest, however, was his bravery and fearlessness on the battlefield. During his two tours in Vietnam, he accompanied the men in nearly a dozen combat operations, tending to the wounded and offering Last Rites to the dying. In 2006, the Vatican began an official investigation into Fr. Vincents life for possible canonization and sainthood. Today numerous monuments - roads, chapels, ships and organizations are named in his honor. In a world growing ever more weary with cynicism, this is a story to renew the spirit. In the stories told by the Marines who knew him, we gain insight into the tremendous impact a life can have when it is lived in service to others. Biography; Documentary; History
