Some Vintage Information Kits are now available for FREE: <https://www.gmheritagecenter.com/>  
 We are pleased to announce over 90 new Cadillac Information packages are now available for download free of charge. These packages, along with the previously available Chevrolet Kits, contain basic specifications, equipment availability and in some cases, owners, and service information. Or, you can purchase printed copies of the information kits for \$50.00. For makes and models not seen online, we will research the information for you. If available, we will assemble a kit for you for a cost of \$50.00

**\$50.00: Cadillac Build Record (Available for 1903-1972, excluding 1968)**

This document provides details on the body style, paint codes, engine codes and more, capturing information on the vehicle as it was built. There are no build records available for Cadillac years 1974 – 1979.

**Please Note:** Most requests for copies of vehicle invoices are reproduced from microfilm and microfiche. Copies of these records may vary in quality, depending on the condition of the archived record. We will give you the highest reproduction quality possible from these media sources. If the invoice is not legible, we will notify you and you will not be charged.

**\$50.00: Vehicle Invoice (See Below for Available Model Years)** This document contains the original ship to dealer information, MSRP and invoice number that General Motors used to bill the dealer. **Vehicle Invoices are available for the following model years:** (Fleet & exported vehicles excluded)

Buick from ..... 1982      Cadillac from .... 1980      Chevrolet from .....1977  
 GMC from ..... 1977      Oldsmobile from ....1977      Pontiac from .....1987
